## Laura the Potter

You know what??? I don't really feel like talkin' today...well – maybe a little bit. It's a Sunday – my boyfriend Tom is working very hard building "Mybike" – he's got secrets about it that are kind of driving me nuts! Oops – here comes those butterflies in the tummy again! I need to go and rake my little side yard of an entire winter's full of puppy poop. Fun huh? Sometimes I feel sad because I am alone a lot. But then...I think about all the wonderful family and friends that I have – and I do realize that I am truly blessed! So – I would like to share with you – some photo's that are dear to me. And...when you want to take those beautiful, windy, country roads and ride into Silver Creek – come and visit me! From beautiful downtown Silver Creek...Take Care, Laura the Potter
