A man and his wife were having some problems at home and were giving each other the silent treatment. Suddenly, the man realized that the next day, he would need his wife to wake him at 5:00 AM for an early morning business flight.

Not wanting to be the first to break the silence (and LOSE), he wrote on a piece of paper, "Please wake me at 5:00 AM ." He left it where he knew she would find it.

The next morning, the man woke up, only to discover it was 9:00 AM and he had missed his flight. Furious, he was about to go and see why his wife hadn't wakened him, when he noticed a piece of paper by the bed. The paper said, "It is 5:00 AM. Wake up."

Men are not equipped for these kinds of contests.

RIDERS

One day, a man came home and was greeted by his wife dressed in a very Sexy nightie. "Tie me up," she purred, "and you can do anything you want." So he tied her up and went golfing.

A woman came home, screeching her car into the driveway, and ran into the house. She slammed the door and shouted at the top of her lungs, "Honey, pack your bags. I won the lottery!" The husband said, "Oh my God! What should I pack, beach stuff or mountain stuff?" "Doesn't matter," she said. "Just get out."

Words

A husband read an article to his wife about how many words women use a day... 30,000 to a man's 15,000. The wife replied, "The reason has to be because we have to repeat everything to men... The husband then turned to his wife and asked, "What?"

A little guy is sitting at the bar just staring at his drink for half an hour when this big trouble-making truck driver steps next to him, grabs his drink and gulps it down in one swig. The poor little guy starts crying. Come on man, I was just giving you a hard time," says the truck driver.

"I'll buy you another drink. I just can't stand to see a man crying."

This is the worst day of my life," says the little guy between sobs. "I can't do anything right. I overslept and was late to an important meeting, so my boss fired me. When I went to the parking lot, I found my car was stolen and I have no insurance. I grabbed a cab home but, after the cab left, I discovered my wallet was still in the cab. At home I found my wife in bed with the gardener. So I came to this bar trying to work up the courage to put an end to my life. And then you show up and drink the poison

Two deer hunters were standing on a ridge near a highway in rural Minnesota on the opening day of deer season. They both saw a trophy-class buck meandering

towards them. As the one hunter raised his gun to shoot, a funeral procession came slowly by.

The hunter lowered his gun, took off his hat, and stood with his head bowed until the procession was past. Of course by then, the deer was long gone.

The other hunter exclaimed "Wow! That was the most sportsmanlike act I've ever seen! You allowed this trophy buck to escape while showing such compassion

and kindness toward someone's dearly departed. You are

a great humanitarian and a shining example to sportsmen throughout the world!"

The first hunter nodded and said; "Well, we were married for 42 years".

Women's Revenge

"Cash, check or charge?" I asked, after folding items the woman wished to purchase.

As she fumbled for her wallet I noticed a remote control for a television set in her purse.

"So, do you always carry your TV remote?" I asked.

"No," she replied, " but my husband refused to come shopping with me, and I figured this was the most evil thing I could do to him legally."
