BIKER TIPS: Attorney Joe Weigel of Weigel, Carlson, Blau & Clemens, S.C. of Milwaukee has been a biker for over 40 years. Here is one of his tips. Use it if it helps.

Keep the shiny side up. Keep the upside shiny. Remember to keep your bike clean and polished. Not only will it look better; but it will last longer and probably perform better. Personally, I'm the worst example of this. Every time I look at my bike in the living room; I can either ride it or polish it. One hundred percent of the time I ride it. I wish someone would set up a bike wash/polish in the parking lot of my local watering hole. Aside from bikini bike wash and rainy days; my bike does not shine.

As the old saying goes: Do as I say; not as I do!
