

**Milwaukee Rally**

Aug 30-Sept 1 '07

I didn't get a chance to attend the Milwaukee Rally last year, but did ask a friend of the FRP who was attending to get some pictures for me. Through the patients of her fellow riding group they attended all the dealerships and Water Street. Thanks to Jynx for the pictures and I hope to see everyone for the 105th August 28-31, 2008. Check out [www.harley-davidson.com](http://www.harley-davidson.com) for all events plus keep an eye here for many other events that weekend.
