

# FREE

Two cowboys Dan and Bob were out for about two weeks checking fences, when they came upon a sheep with its head caught in the fence. Bob immediately got off his horse and started to free the sheep. Dan seeing an opportunity said "hold on there Bob, I've been out here for two weeks without any lovin".

With that, Bob backed away and let Dan have at the sheep. After only a short time Dan looked back and noticed Bob watching him with the sheep. Feeling a little selfish he looked over to Bob and said "hey buddy do you want some of this?".

Bob replied, "well Ok, but do I have to put my head in the fence?".

How bout them cowboys ?

### Bobbitt Family Update

In a recent news broadcast, it was announced that Lorena Bobbitt's sister Louella Was arrested for an alleged attempt to perform the same act on her husband As her famous sister had done several years ago. Sources reveal the sister was not as accurate as Lorena. She allegedly missed the target and stabbed her husband in the upperThigh causing severe muscle and tendon damage. The husband is reported to be in serious, but stable Condition, and Louella has been charged with .... A Misdewiener!

The federal government is sending each and every one of us a \$600 rebate. If we spend that money at Wal-Mart, the money will go to China. If we spend it on gasoline it will go to the Arabs. If we purchase a computer it will go to India. If we purchase fruit and vegetables it will go to Mexico, Honduras, and Guatemala. If we purchase a good car it will go to Japan. If we purchase useless crap it will go to Taiwan and none of it will help the American economy.

The only way to keep that money here at home is to buy prostitutes and beer, since these are the only products still produced in the US.

Thank you for your help.

A Sunday S school teacher asked her little children, as they were on the way to church service, "And why is it necessary to be quiet in church?" One bright little girl replied, "Because people are sleeping."

# RIDERS

A mechanic was removing a cylinder head from the motor of a Harley motorcycle when he spotted a well-known heart surgeon in his shop.

The surgeon was there, waiting for the service manager to come and take a look at his bike.

The mechanic shouted across the garage, 'Hey, Doc, can I ask you a question?'

The surgeon a bit surprised, walked over to the mechanic working on the motorcycle. The mechanic straightened up, wiped his hands on a rag and asked, 'So Doc, look at this engine. I open its heart, take valves out, fix 'em, put 'em back in, and when I finish, it works just like new. So how come I get such a small salary and you get the really big bucks, when you and I are doing basically the same work?'

The surgeon paused, smiled and leaned over, and whispered to the mechanic...

'Try doing it with the engine running.'

A guy is driving around and he sees a sign in front of a house: "Talking Dog For Sale."

He rings the bell and the owner tells him the dog is in the backyard. The guy goes into the backyard and sees a Labrador retriever sitting there.

"You talk?" he asks. "Yep," the Lab replies. "So, what's your story?"

The Lab looks up and says, "Well, I discovered that I could talk when I was pretty young. I wanted to help the government, so I told the CIA about my gift, and in no time at all they had me jetting from country to country, sitting in rooms with spies and world leaders, because no one figured a dog would be eavesdropping. I was one of their most valuable spies for eight years running."

"But the jetting around really tired me out, and I knew I wasn't getting any younger so I decided to settle down. I signed up for a job at the airport to do some undercover security wandering near suspicious characters and listening in."

"I uncovered some incredible dealings and was awarded a batch of medals. I got married, had a mess of puppies and now I'm just retired."

The guy is amazed. He goes back in and asks the owner what he wants for the dog.

"Ten dollars," the guy says.

"Ten dollars!?! This dog is amazing. Why on earth are you selling him so cheap?"

"Because he's a liar. He never did any of that shit."

I recall my first time with a condom, I was 16 or so. I went in to buy a packet of condoms at the pharmacy. There was this beautiful woman assistant behind the counter, and she could see that I was new at it. She handed me the package and asked if I knew how to wear one.

I honestly answered, 'No, this is my first time.' So she unwrapped the package, took one out and slipped it over her thumb. She cautioned me to make sure it was on tight and secure.

I apparently still looked confused. So she looked all around the store to see if it was empty. It was. 'Just a minute,' she said, and walked to the door, and locked it. Taking my hand, she led me into the back room, unbuttoned her blouse and removed it. She unhooked her bra and laid it aside.

'Do these excite you?' she asked. Well, I was so dumb-struck that all I could do was nod my head. She then said it was time to slip the condom on.

As I was slipping it on, she dropped her skirt, removed her panties and lay down on a desk. 'Well, come on', she said, 'We don't have much time.'

So I climbed on her. It was so wonderful, that unfortunately, I could no longer hold back and KAPOW, I was done within a few minutes.

She looked at me with a bit of a frown. 'Did you put that condom on?' She asked.

I said, 'I sure did,' and held up my thumb to show her. She fainted.

After an exhaustive review of the research literature, here's the final word on nutrition and health:

1. Japanese eat very little fat and suffer fewer Heart attacks than us.
2. Mexicans eat a lot of fat and suffer fewer Heart attacks than us.
3. Chinese drink very little red wine and suffer Fewer heart attacks than us.
4. Italians drink excessive amounts of red wine and Suffer fewer heart attacks than us.
5. Germans drink beer and eat lots of sausages and Fats and suffer fewer heart attacks than us.

CONCLUSION: Eat and drink what you like. Speaking English is apparently what kills you, but the Government is trying to correct the problem!
