

**America-What Happen To Her?**

I'd like to know what happen to the America I grew up in, Proudly Served, almost died for and 58000 plus of my Brothers died for.

We got this new (as far as I'm concerned) Nazi, socialized government running what used to be the Greatest Nation in the world. They keep bailing out these big company's, why so they can line there pockets some more. How about helping the lower class Americans. The people who live on the street, the people who have to dig in dumpster's for food and the worst of the worst An American Veteran Living on the streets.

I just heard where Mr. Obama (One Big Ass Mistake America) where he is making a tour and taking a group of 500 people with him. Is he that fearful of the rest of the world, if so he needs to grow a set of gonads. Hell my TEAM I had in Nam could have taken out any threat.

This country's people need to take over again like they did in 1776. The hell with the Electoral College, one American one Vote. We sure in the hell wouldn't be in the mess we're in now.

Another thing I'm sick and fringing tired of people blaming President Bush for the state we're in. Clinton sent the troops to Afghanistan. As far as retaliating after 911, "Just what in the Hell was He supposes to do, let the Arab world kill innocent American's on Our own soil, I would have done the same thing, but with a Nuke". President Bush did the American thing! GO George!!!

I'm sorry if I sound MAD, but damn it I am, it's time to shut the gates to every Tom, Dick and Jane that yells political obsession in their country, they don't like it then do what we did fight for your Freedom! I'm sick and tried of young Americans dying for some ass holes who don't have the balls to stand up for themselves.

Yes America was build by many people from many nations, but it's time to put a stop to it when we let them in, train at our flight schools, then kill Americans with planes we taught them to fly and to set up cells to destroy America.

We our Americans Proud Americans stand up and tell the government what you want. Get rid of people like Pelosi, a man who isn't even entitled to be president, all the money hoarding Senators and congressmen.

I think I've said a lot, I just hope it sinks in, you want to know more of my thoughts go to www.retiredranger.com. Pray for the safety of our Troops and remember our POWs~MIAs and their families who have been waiting for the government to do something. "KEEP ON TRIKEN", be safe and may the Great Spirit be with you. Skypilot

**Recognition where deserved**

Ed Freeman

You're an 19 year old kid. You're critically wounded, and dying in the jungle in the Ia Drang Valley, 11-14-1965, LZ X-ray, Vietnam. Your infantry unit is outnumbered 8 - 1, and the enemy fire is so intense, from 100 or 200 yards away, that your own Infantry Commander has ordered the MediVac helicopters to stop coming in.

You're lying there, listening to the enemy machine guns, and you know you're not getting out. Your family is 1/2 way around the world, 12,000 miles away, and you'll never see them again. As the world starts to fade in and out, you know this is the day.

Then, over the machine gun noise, you faintly hear that sound of a helicopter, and you look up to see an un-armed Huey, but it doesn't seem real, because no Medi-Vac markings are on it.

Ed Freeman is coming for you. He's not Medi-Vac, so it's not his job, but he's flying his Huey down into the machine gun fire, after the Medi-Vacs were ordered not to come. He's coming anyway.

And he drops it in, and sits there in the machine gun fire, as they load 2 or 3 of you on board. Then he flies you up and out through the gunfire, to the Doctors and Nurses.

And, he kept coming back.... 13 more times.... And took about 30 of you and your buddies out, who would never have gotten out.

Medal of Honor Recipient, Ed Freeman, died last Wednesday at the age of 80, in Boise, ID . . . May God rest his soul!

I bet you didn't hear about this hero's passing, but we sure were told a whole bunch about some Hip-Hop coward beating the crap out of his "girl-friend." & nbsp; Medal of Honor Winner Ed Freeman!
