Cover Story.... Edge O' Dells- A biker's Get-A-Way

For those of you that have seen billboards while driving the roads of Wisconsin that mention Edge O' Dells, and your wondering what kind of a place it is, I am here to give you the scoop on this destination resort. A motorcycle friendly resort that is.

Tim Roberts bought this property in 2001 when it was a go cart track and a 15 stool bar. Over the next 9 years he has transformed the property into an "Adult Only" public welcome playground (Adult Only as in no kids allowed) that is user friendly to ALL those that ride. A destination that you can relax at while letting your hair down. The Edge is a self contained place with a bar, food served till 12pm and pizza served till 2am. A general store, very clean showers and toilet facilities, a bar with pool side dining for 260 people, spa, volleyball courts, 2 horseshoe pits and 4-3 bedroom cabins and 1-1 bedroom for those of you that didn't come in an RV or have a tent.

The first thing you see when driving into the parking lot is burnouts and donuts from prior customers, leading to the conclusion that some brothers had a good time while there. The bar is all log inside and out, with an enclosed party deck and out door seating. Multiple bars for your convenience makes getting that cocktail just a few steps away. The food is awesome and reasonably prices so it won't break the bank. We had a home made pizza, drinks and an appetizer and the bill came to around \$25.

Next to the bar is the pool and spa that brought back memories of being a kid when I traveled with my family. A 2000 sq. ft pool with basketball hoops for the competitive types to shoot at while swimming, and a 14 person hot-tub to relax in. Granted when Lorie and I were there, it was "Livin' on the Edge" night and there

was a wet t-shirt contest going on just over the fence. (Something I didn't see as a kid.) Good clean fun with that ice cold water. Visually it must of felt really goooooood. Every Thursday the Thunder Rolls On with "Livin' on the Edge" nights happen all summer long with weekly poker runs, music, contests and car/bike show, motorized bar stool races, hot bodies contest and tequila volleyball in the water. This year will also bring you pudding wrestling for a new twist on having fun.

After a good dinner, swim and r&r we headed back to the cabin. These cabins are again log style in and out with a screened in porch, kitchen area, 2 bedrooms each with a pillow top queen bed in them and a bed in the loft. Capable of sleeping 8 comfortably with excep-

tionally clean shower/toilet facilities 50 yards away. In the next 2 years 20 more cabins will be built that include bathroom facilities. There is a fire pit at each cabin and a drive to each for your vehicle parking. Also as stated earlier there are 90 pull through sites for motor homes and campers with electric hook up. No sewer dump yet for the RV's but there is a mobile truck that will pump your RV if needed, it's affectionately called "The Honey Wagon". For you rough campers there are 5 acres available for your convenience.

A few of the other doings at the Edge include cook your own steak (T-Bone or Ribeye) on the outside grills every Sat. & Sunday afternoon and evening, Friday Karaoke and Saturday has live music and Sunday 1-5pm has live music and an open jam.

Will I stay there again, absolutely! The staff is friendly and can assist you in whatever way they can. Just minutes from all the attraction Wisconsin Dells has to offer. Conveniently located just a 1/2 mile west of I-90 at exit # 85. 2 miles west of Wisconsin Dells on Hwy 12/16, located across the street from Chubby's Gentleman's Club.

On the FRP scale of good times had, I give the Edge O' Dells a 4.8 out of 5. I highly recommend you stop in, even if it is only for dinner and a dip in the pool.
