A biker believes all sex is good sex but safe sex is a necessity.

So a brother finding his protection low in supply puts down to the local drugstore and asks the pharmacist where he can find some rubbers.

The pharmacist, a little put off states that prophylactics are in aisle 3.

The brother looks over quite a selection, finally making his choice and returns to the counter to pay for them.

The pharmacist says sir that will be \$2.99 and 15 cents for tax.

The brothers response is "Save the Tax, I'll just tie them on."

A man and his wife were having some problems at home and were giving each other the silent treatment.

Suddenly, the man realized that the next day, he would need his wife to wake him at 5:00 AM for an early morning business flight.

Not wanting to be the first to break the silence (and LOSE), he wrote on a piece of paper, "Please wake me at 5:00 AM."

He left it where he knew she would find it. The next morning, the man woke up, only to discover it was 9:00 AM and he had missed his flight.

Furious, he was about to go and see why his wife hadn't wakened him, when he noticed a piece of paper by the bed.

The paper said, "It is 5:00 AM. Wake up."

DIFFERENT LEVELS OF EXERCISE

It has been known for many years that sex was good exercise, but until now nobody had made a scientific study of the caloric content of different sexual activities. Now after "original and proprietary" research they are proud to present the results.

HUMOR

A man walks into a bar, notices a very large jar on the counter, and sees that it's filled to the brim with \$10 bills. He guesses there must be at least ten thousand dollars in it. He approaches the bartender and asks, "What's with the money in the jar?"

"Well..., you pay \$10, and if you pass three tests, you get all the money in the jar and the keys to a brand new Lexus."

The man certainly isn't going to pass this up, so he asks, "What are the three tests?"

"You gotta pay first," says the bartender, "those are the rules."

So, after thinking it over a while, the man gives the bartender \$10 which he stuffs into the jar.

"Okay," says the bartender, "here's what you need to do: **First** - You have to drink a whole quart of tequila, in 60 seconds or less, and you can't make a face while doing it."

"**Second** - There's a pit bull chained in the back with a bad tooth. You have to remove that tooth with your bare hands."

"**Third** - There's a 90-year old lady upstairs who's never had sex. You have to take care of that problem."

The man is stunned! "I know I paid my \$10 -- but I'm not an idiot! I won't do it! You'd have to be nuts to drink a quart of tequila and then do all those other things!"

"Your call," says the bartender, "but, your money stays where it is."

As time goes on, the man has a few more drinks and finally says, "Where's the damn tequila?!"

He grabs the bottle with both hands and drinks it as fast as he can. Tears stream down both cheeks -- but he doesn't make a face -- and he drinks it in 58 seconds!

Next, he staggers out the back door where he sees the pit bull chained to a pole. Soon, the people inside the bar hear loud growling, screaming, and sounds of a terrible fight -- then nothing but silence!

Just when they think that the man surely must be dead, he staggers back into the bar.. His clothes are ripped to shreds and he's bleeding from bites and gashes all over his body. He drunkenly says, "**Now..., where's that old woman with the bad tooth?**"

I think the life cycle is all backwards. You should start out dead and get it out of the way. Then, you wake up in an old age home feeling better every day.

You get kicked out for being too healthy; go and collect your pension, and then when you start work, you get a gold watch on your first day.

You work 40 years until you're young enough to enjoy your retirement.

You drink alcohol, you party, you're generally promiscuous and you get ready for High School.

You go to primary school, you become a kid, you play, you have no responsibilities, you become a baby, and then...

You spend your last nine months floating peacefully in luxury, in spa-like conditions; central heating, room service on tap, larger quarters every day, and then, you finish off as an Orgasm.
