Get ready, get set, go for a ride (if mother nature allows it) and try not to get run over by the idiot cagers. I am hearing horror stories from many people that went out for their inaugural spring rides and have been almost taken out by either unattentive drivers or drivers that don't really care to share the road with motorcycles. In fact I think cagers have been studying over the winter how to get under the skin of us riders. I can come up with a few attention getters for these asses, but don't think it would be very wise on my part to let them be known. But I will say when I was a kid I built up one hell of a steel ball collection playing marbles... Hmmm, I wonder what that would do as an attention getter?

I do want to mention one of the events I am going to be attending and that's Bingo's Life Celebration party in Beloit May 7th at the D.C Eagles clubhouse (see ad page 9 for address). Here is your chance to give Bingo a big thank you for all he has done for current and past inmates through the Bingo fund. I have personally witnessed his generosity and persistence keeping the Downed Brothers lives just a little bit brighter. I have also seen many in the past few years that take his friendship when needed and then disappear without so much as a thank you and a I'm outta here. I hope those brothers from the inside and out that are able to, will be able to stop in and show him the respect he has given you. Maybe we can get a story or two out of his book of life experiences. Other than that, my mind is as empty or cloudy (whichever way you see it) of anything else to write about. Have fun riding and please be safe. See you next month

**Ogo's**  
**RESTAURANT & BUFFET**

Last year Lorie and I took a run down the Mississippi and found a great place to eat in Keokuk, IA. The name of the place is Ogo's Restaurant & Buffet. 3753 Main Street, Keokuk, IA (319) 524-6467 [www.ogorestaurant.com](http://www.ogorestaurant.com) The buffet had a great selection of food and the staff was awesome.

I wanted to start a section last year asking riders to send me their secret spot that may have good food, great atmosphere and is just plain enjoyable to be at. If you have one of these places let me know, I'd like to check it out. As you can tell from Ogo's location, I don't need to stay in WI. E-mail me the place and a picture and I may even send you a free subscription for your trouble.

Let me know what you think of Ogo's if you get there.

**"Bingo's Downed Biker Fund"**  
 If you have a Brother or Sister down and would like to get them the Free Riders Press, NO PROBLEM, be glad to do it but it does cost money. A lot of people help out by donating some coin. We here will do what we can, but with everybody giving what they can, we will make it go a long way. We all know somebody that's down, and anything would be greatly appreciated.
