

**Knucklehead Reunion**

Do you like motorcycle's? How about old motorcycle's? Would it help if you could get the best of both of these? Well you can at this years **9th Annual Knucklehead Reunion** at the Harley-Davidson Museum in Milwaukee [www.harley-davidson.com](http://www.harley-davidson.com) July 9th. This one day event last year brought out 140 pre 1979 bikes, and over 50 knuckleheads for your viewing pleasure. H-D is bringing in the Wall of Death and offering passes to the museum for anyone with a bike in the show. Last year's bikes included a drag bike, racers, touring classics and choppers.

Badger Heritage Chapter of AMCA will be setting up bike games for the crowd enjoyment along with other displays at the museum with a paid admission.

The Reunion is free of charge and open to the public that want to have some motorcycle history at their finger tips. Also throughout the day there will be a silent auction among other things to raise money for the Make-A-Wish Foundation.

I plan on attending again this year because this is a very good opportunity to see the past that I enjoy. For more information [northknuck@yahoo.com](mailto:northknuck@yahoo.com)
