A mother was working in the kitchen, listening to her five-year-old son playing with his new electric train in the living room.

She heard the train stop & her son saying, "All of you bastards who want off, get the hell off now, 'cause this is the last stop! And all of you bastards who are getting on, get your ass in the train, Cause we're going down the tracks."

The horrified mother went in & told her son, "We don't use that kind of language in this house. Now I want you to go to your room & stay there for TWO HOURS. When you come out, you may play with your train, but I want you to use nice language."

Two hours later, the son came out of the bedroom & resumed playing with his train. Soon the train stopped & the mother heard her son say, "All passengers who are disembarking the train, please remember to take all of your belongings with you. We thank you for travelling with us today & hope your trip was a pleasant one."

She hears the little boy continue, "For those of you just boarding, we ask you to store all of your hand luggage under your seat. remember, there is no smoking on the train. We hope you will have a pleasant and relaxing journey with us today."

As the mother began to smile, the child added, "For those of you who are pissed off about the TWO HOUR delay, please direct your complaints to the fat bitch in the kitchen."

Before performing a baptism, the priest approached the young father and said solemnly, "Baptism is a serious step. Are you prepared for it?"

"I think so," the man replied. "My wife has made appetizers and we have a caterer coming to provide plenty of cookies and cakes for all our guests."

"I don't mean that," the priest responded. "I mean, are you prepared spiritually?"

"Oh sure," came the reply. "I've got a keg of beer and a case of whiskey."

"I'm O.K. but I didn't like the four-letter-word the doctor used

in surgery," he answered.

"What did he say," asked the nurse.

RIDERS

One summer evening during a violent thunderstorm a mother was tucking her son into bed. She was about to turn off the light when he asked with a tremor in his voice, "Mommy, will you sleep with me tonight?" The mother smiled and gave him a reassuring hug. "I can't dear," she said. "I have to sleep in Daddy's room." A long silence was broken at last by his shaky little voice: "The big sissy."

 RIDE SAFE...

A cowboy rode into town and stopped at a saloon for a drink.

Unfortunately, the locals always had a habit of picking on strangers, which he was. When he finished his drink, he found his horse had been stolen. He goes back into the bar, handily flips his gun into the air, catches it above his head without even looking and fires a shot into the ceiling.

"Which one of you sidewinders stole my hoss?" he yelled with surprising forcefulness.

No one answered.

"all right I'm gonna have another beer, and if my hoss ain't back outside by the time I finish, Im gonna do what I done in Texas. And I don't like to have to do what I dun in Texas!"

Some of the locals shifted restlessly.

He had another beer, walked outside, and his horse is back! He saddles-up and starts to ride out of town.

The bartender wanders out of the bar and asks, "Say partner, before you go... what did happen in Texas?"

The cowboy turned back and said, "I had to walk home."

HUMOR

An old, blind cowboy wanders into an all-girl biker bar by mistake.

He finds his way to a bar stool and orders a shot of Jack Daniels.

After sitting there for a while, he yells to the bartender, 'Hey, you wanna hear a blonde joke?'

The bar immediately falls absolutely silent.

In a very deep, husky voice, the woman next to him says,

'Before you tell that joke, Cowboy, I think it is only fair, Given that you are blind, that you should know five things:

1. The bartender is a blonde girl with a baseball bat.
2. The bouncer is a blonde girl.
3. I'm a 6-foot tall, 175-pound blonde woman with a black belt in karate.
4. The woman sitting next to me is blonde and a professional weight lifter.
5. The lady to your right is blonde and a professional wrestler.

Now, think about it seriously, Cowboy. Do you still wanna tell that blonde joke?"

The blind cowboy thinks for a second, shakes his head and mutters, 'No...not if I'm gonna have to explain it five times.

A kangaroo kept getting out of his enclosure at the zoo. Knowing that he could hop high, the zoo officials put up a ten-foot fence. He was out the next morning, just roaming around the zoo. A twenty-foot fence was put up. Again he got out.

When the fence was forty feet high, a camel in the next enclosure asked the kangaroo, "How high do you think they'll go?"

The kangaroo said, "About a thousand feet, unless somebody locks the gate at night!"
