Sharing the Biker mystique and heritage by giving free rides to others on our motorcycles is euphoric! Feel free to enlighten up any reunion, rally, family gathering or group event by sharing the wind and freedom.

Nursing homes are excellent sources of riders. Most memorable for me of the 3,500 plus rides that I have given, have been the disabled and the elderly. Sometimes an extra passenger is needed to stabilize the rider.

Minnie Opelt, Neillsville, said to Rep. Scott Suder and myself after her ride, "If the Harley-Davidson Company gives me a Harley, I'm going to learn how to drive it!" Minnie was almost 101 yrs. of age.

Randy, the quadriplegic Senate Page who operated his wheelchair with a straw, got his first ride on a cycle with Pete Hansen and me. It was one of the best moments of his life – just to be driven around the Madison Capital Square on Harley-Davidson motorcycle.

Please consider taking pictures of your rider, bike and yourself. Perhaps a \$50 reward in November for the best picture will happen. You must get the pictures to me, to be judged by an impartial group of Bikers.

Yuppee, Biker, Wannabee - yet in Training.

This guy says, "Don't run over anything that you don't want to eat". He has killed seven deer on a motorcycle. Three during the day and ideal driving conditions. Another three at dusk and one during a rainstorm.

He left Montana at 52 degrees below zero and got to Wisconsin – 20 degrees. Having no windshield or ferring made that trip truly remarkable on a 1972 Harley-Davidson FX.

Dan Steffans perhaps has the world record of most lifetime miles on a motorcycle at over 2.7 million. The Iron Butt Assoc. is now verifying and documenting that World's record.

Since 1963, Harley-Davidson has been a lifestyle, work related passion and obsession for Dan Stephans. Dan is the Chief Architect for the State of Wisconsin. There are lots of other Bikers that need to be profiled.

Hope to see you soon, -- so you can get an Apachee tear.

God Bless You
