

BROTHERHOOD

By: Skypilot Freelance Writer

Brotherhood has so many meanings it is hard to list all of them, but one thing about Brotherhood is you don't call someone your Brother or Sister then turn around and betray them in some way. Brotherhood runs deep into ones soul, rather a Winston Cup Racer or a bunch of friends that get together for a weekend doing things they like. Myself I belong to a lot of Brotherhoods, High School Football, Army Airborne, Army Rangers, Brothers Of The First Nation, Brothers in the wind, Brothers I served in COMBAT with.

There are many that spans my entire life from the age of I guess 10 to 62 years old and when one of your Brothers betray you it effects every aspect of that particular Brotherhood. I don't no about my readers because it is not my job to judge, but when someone betrays you, lies about you and spreads them far and wide it hurts. Myself's Brotherhood emanates from my heart and I give as much as it takes to be a good Brother rather it's 100% or 300% I try to physically and mentally project that.

With Brotherhood is supposed to in compass LOVE above all, but I tell you "Those that call you Brother and lie about you still live in darkness". They our jealous of your pouring out put into that Brotherhood or even Sisterhood. I try not to lie and spread rumors about my Sisters and Brothers, because I loss the trust and love of those and so will you if you live in the dark. I am far from being perfect, but I try to better whatever Brotherhood I'm in to try to improve it if possible if not I step back or if something is voted on rather I disagree with it or not I go with the Majority of the vote.

Don't you get a feeling knowing when someone comes up and "HUGS YOU AND SAYS THEY LOVE YOU" that they mean it and are not putting a knife in your back while they have their hands there? I do, it's always better to know then finding the knife after they have left.

If you are or want to be part of a BROTHERHOOD or SISTERHOOD, above all to one's self be true and you will find it spreads to others as you are giving it not the other way around.

Be safe out on the highways and byways and have a great ride. I have a good friend that is looking to get the heck out away from everything for a couple weeks if you know of an interesting spot drop me a line at vietnambiker@aol.com in subject line write get away on your scooter.

Until next time "that's all folks" HAVE FUN above all. Remember watch for the cages because they don't look for you WAHDO
