The American Motorcyclists Tribute (AMT)
Championing Mystique, Heritage & Charisma
- Loving God, Freedom & Liberty.

Wisconsin Where Eagles Soar, Badgers score & Harley's Roar!
Movements to revitalize the AMT I, II, III and the Hallie Peace Park are being considered. If a plan can be developed, perhaps the Hallie Village Board could be contacted.

To restore back to original intent would include uniqueness:

- 25 USA flags, ranging from 10x15 ft. to 3x5 ft.
- 25 secondary flags including:

- | | |
|----------------------|-------------------|
| - Abate of Wisconsin | Abate of Michigan |
| - Christian | Don't Tread on Me |
| - Eagles | Elks - |
| - Navy Jack | NRA |
| - POW/MIA | VFW |

Unions (Construction Trades & Electrical Workers)

- The U.S. Air Force, Army, Marine & Navy

Total flag footage at an astonishing 1,776 sq. ft.

The two V's for Victory shapes a 'W' for Wisconsin, the 50 flag poles and monument stones represent immense pride for the 50 United States. These sites could be a wonderful attraction and destination.

Included here is the only sign on Wisconsin's Hwy 53 - The Peace Memorial Highway. "Dedicated to citizens of Wisconsin for their contributions to international peace and greater understanding among nations".

Proud motorcyclists spearheaded the transfer of a state wayside to the Hallie Township in 1997. Harnessing a multitude of coalitions, Bikers raised the majority of funds necessary & coordinated construction.

Walter "Gator" Krainer was the first person to purchase two flagpoles. The first group to purchase a pole was Sport Motors Harley-Davidson.

Motorcycle organizations currently emblazoned onto stone include:

- Abate of Wisconsin
- American Motorcyclists Tribute
- Christian Motorcycle Assoc.
- Free Riders M.C.
- Harley Owners Group (Black River Falls, Blue Hills, and Indianhead & St. Croix)
- International Coalition of Motorcyclists
- Lady's of Harley,-
- Road Dogs M.C.
- Texas Motorcycle Assoc.
- Wisconsin Motorcycle Tours
- Wisconsin Rolling Memorial
- World Confederation of Clubs.

Other organizational stone inscriptions include: Eagles, Elks, Electrical & Construction Unions, VFW, families & businesses. The cohesiveness and camaraderie to produce this patriotic display is legend!

Duplicate stones of those left at the Vietnam Veterans Wall in Washington, D.C. in 1998 are at Sport Motors Harley-Davidson. Emblazoned onto bronze plates are signatures of the seven Harley-Davidson family members working for the company in 1998. Another four top Harley-Davidson executives are included along with Peter Fonda, Larry "Jr. Dallas" Hagman, Jay Leno, Governors Tommy Thompson and Jesse Ventura.

The original stones were left at the Wall in Washington, D.C. for 21 days. They then went to the Repository and will be a feature of the upcoming Vietnam Veterans D.C. Wall Education Center. Various museums displaying the Art of the Motorcycle have showcased these five, 180 # stones over the past 15 years.

There is a lot that can be done in expanding awareness and encouraging events at these sites. Constructive feedback as ever is appreciated.

Plan Ahead or Get Left Behind!

It was a great riding season, but what components on your machine now need attention? Is your Shovelhead using a little oil? Or maybe your Panhead or Knucklehead transmission is leaking or not shifting correctly. New or old we can help you get those repairs done right. Whether you do it yourself and just need quality replacement parts or you need the complete job done we can get you ready for Spring!

MOTOR BUILDS THE HEART OF THE BEAST!

Nowhere else will you see Mike Lichner rebuild a 30's VLD motor one week and an Evolution motor the next, Mike can get you the performance you need on your Flatheads, Knuckleheads, Panheads, Ironheads Shovelheads, Evos and TwinCam. From complete rebuilds including correct component finishes for restoration quality to top ends and cam installations Mike can help get you ready to roll!

POWER TO THE PAVEMENT!

The best motor in the world, only works as well as your transmission. The Harley-Davidson 4 speed transmission is a workhorse that when built correctly will give many miles of excellent service. Fred Borchardt has been rebuilding 4-speed and 3-speed transmissions to better than Factory Specs for years. From main drive gear seal repairs to complete overhauls Fred will make sure your transmission puts the POWER to the PAVEMENT.

QUALITY REPLACEMENT PARTS

We stock a large supply of hard to find parts for your classic ride. Whether you work on your bike or we do, we can supply the parts you need to complete the project. Our large vendor list includes V-Twin, Drag Specialties, Colony, Andrews and Jim's just to name a few.
