There was a blond who was tired of all the blond jokes going around and decided to dye her hair brown. She then went for a drive in the country and came upon a shepherd herding his sheep across the road.

"Hey, shepherd! If I guess how many sheep there are here, can I keep one?" The shepherd is puzzled but agrees. Out of the blue, she blurts out "352!" He is stunned but keeps his word and allows her to pick out a sheep. She picks out the cutest one.

He looks at her and says "If I guess what color your hair really is, can I have my dog back?"

This morning I lucked out and was able to buy two boxes of ammo.

I placed the boxes on the front seat and headed back home, but stopped at a gas station where a drop-dead gorgeous blonde in a short skirt was filling up her car at the next pump.

She glanced at the two boxes of ammo, bent over and leaned in my passenger window, and said in a sexy voice, "I'm a big believer in barter, old fella. Would you be interested in trading sex for ammo?"

I thought for a few seconds and asked, "What kind of ammo 'ya got?"

HUMOR

A honeymoon couple is in the Watergate Hotel in Washington. The bride is concerned, and asks, "What if the place is still bugged?"

The groom says, "I'll look for a bug." He looks behind the drapes, behind the pictures, under the rug. Finally, he says, "AHA!" Under the rug was a disc with four screws. He gets his Swiss army knife, unscrews the screws, throws them and the disc out the window.

The next morning, the hotel manager asks the newlyweds, "How was your room? How was the service? How was your stay at the Watergate Hotel?"

The groom says, "Why are you asking me all of these questions?"

The hotel manager says, "Well, the couple in the room UNDER you complained that the chandelier fell on them."

A frustrated father told a work colleague: "When I was a youngster, I was disciplined by being sent to my room without supper. But in my son's room, he has his own color TV, computer, games console, cell phone and CD player." "So what do you do?" The father replied: "I send him to my room!"

A carpet layer had just finished installing carpet for a lady. He stepped out for a smoke, only to realize he'd lost his cigarettes. In the middle of the room, under the carpet, was a bump. "No sense pulling up the entire floor for one pack of smokes," he said to himself. He proceeded to get out his hammer and flattened the hump. As he was cleaning up, the lady came in. "Here," she said, handing him his pack of cigarettes. "I found them in the hallway." "Now," she said, "if only I could find my gerbil."

The teacher asked the class to use the word 'fascinate' in a sentence.

Molly put up her hand and said, 'My family went to my granddad's farm, and we all saw his pet sheep. It was fascinating.'

The teacher said, 'That was good, but I wanted you to use the word 'fascinate, not fascinating'.

Sally raised her hand. She said, 'My family went to see Rock City and I was 'fascinated.' The teacher said, 'Well, that was good Sally, but I wanted you to use the word 'fascinate.'

Little Johnny raised his hand. The teacher hesitated because she had been burned by Little Johnny before. She finally decided there was no way he could damage the word 'fascinate', so she called on him.

Johnny said, 'My aunt Gina has a sweater with ten buttons, but her tits are so big she can only fasten eight.'

The teacher sat down and cried.

A little nine year old girl was in church with her mother when she started feeling ill.

"Mommy" she said "Can we leave now?"

"No" her mother replied.

"Well, I think I have to throw up!"

"Then go out the front door and around to the back of the church and throw up behind a bush."

In about two minutes the little girl returned to her seat.

"Did you throw up?" her mother asked.

"Yes" the little girl replied.

"Well, how could you have gone all the way to the back of the church and return so quickly?"

"I didn't have to go out of the church, Mommy" the little girl replied, "They have a box next to the front door that says 'for the sick'."
