Harry and his wife are having hard financial times, so they decide she'll become a hooker. She's not quite sure what to do, so Harry says, "Stand in front of that bar and pick up a guy. Tell him a hundred bucks. If you've got a question, I'll be parked around the corner." She's not there five minutes when a guy pulls up and says, "How much?" She says, "A hundred dollars." He says "Shit. All I've got is thirty." She says, "Hold on." She runs back to Harry and says, "What can he get for thirty dollars?" Harry says, "A hand job". She runs back and tells the guy all he gets for thirty dollars is a hand job. He says okay, she gets in the car, he unzips his pants, and out pops a simply HUGE male unit. She stares at it for a minute, and then says, "I'll be right back." She runs back around the corner and says breathlessly, "Harry, can you lend this guy seventy bucks?"

Little Johnny's kindergarten class was on a field trip to their local police station where they saw pictures tacked to a bulletin board of the ten most wanted criminals. One of the youngsters pointed to a picture and asked if it really was the photo of a wanted person. "Yes," said the policeman. "The detectives want very badly to capture him." Little Johnny asked, "Why didn't you keep him when you took his picture?"

A man spent many days crossing the desert without water. His camel died of thirst. He's crawling through the sands certain that he has breathed his last. All of a sudden he saw an object sticking out of the sand several yards ahead of him. He crawled to the object, pulled it out of the sand, and discovered what looked to be an old brief case. He opened it and out popped a genie. But, this was no ordinary genie. He was wearing an IRS ID badge and a dull gray suit. There was a calculator in his pocket. He had a pencil tucked behind one ear. "Well, kid," said the genie. "You know how it works. You have three wishes." "I'm not falling for this," said

RIDERS

the man. "I'm not going to trust an IRS auditor." "What do you have to lose? You've got no transportation, and it looks like you're a goner anyway!" The man thought about this for a minute, and decided that the genie was right. "OK, I wish I were in a lush oasis with plentiful food and drink." ***POOF*** The man found himself in the most beautiful oasis he had ever seen and he was surrounded with jugs of wine and platters of delicacies. "Okay, kid. What's your second wish." "My second wish is that I were rich beyond my wildest dreams.." ***POOF*** The man found himself surrounded by treasure chests filled with rare gold coins and precious gems. "Okay, kid. You have just one more wish.. Better make it a good one!"

After thinking for a few minutes, the man said, "I wish that no matter where I go beautiful women will want and need me." ***POOF*** He was turned into a tampon. The moral of the story: If the government offers you anything, there's going to be a string attached.

An Irish priest is driving down to New York and gets stopped for speeding in Connecticut. The state trooper smells alcohol on the priest's breath and then sees an empty wine bottle on the floor of the car. He says, "Sir, have you been drinking?" "Just water," says the priest. The trooper says, "Then why do I smell wine?" The priest looks at the bottle and says, "Good Lord! He's done it again!"

The children had all been photographed, and the teacher was trying to persuade them each to buy a copy of the group picture. 'Just think how nice it will be to look at it when you are all grown up and say, 'There's Jennifer, she's a lawyer,' or 'That's Michael, He's a doctor.' A small voice at the back of the room rang out, 'And there's the teacher, she's dead.'

Two guys are driving down 5th Avenue in Manhattan when they come up to a red light. The guy driving slams the gas pedal and they go zooming past the red light. His friend looks at him and says, "Hey, you just went through a red light." The guy driving says, "Don't worry about it. My brother does it all the time." So they keep driving and they come to a second red light. The guy driving slams on the gas pedal and zooms past another red light. His friend is pretty mad, looks at him and says, "Hey man, you just went through another red light. What the heck are you doing?" The guy driving tells his friend, "Don't worry about it. My brother does this all the time." They come to a third red light and the guy driving slams on the gas, zooming past the red light. His friend starts screaming at him, "What the heck? You're going to get us killed! Pull over and let me out." The guy driving screams back at him, "I'm telling you: don't worry about it. My brother, he does it all the time." So they keep driving and they come to a green light. The guy driving slams on the brakes. His friend looks at him and says, "Are you out of your mind? What the heck is wrong with you? You go flying past three red lights, almost getting us killed, and then you slam on the brakes when you have a green light?" The guy driving looks at his friend and says, "I had to stop; my brother might have been coming."

Two boys were arguing when the teacher entered the room. The teacher says, "Why are you arguing?" One boy answers, "We found a ten dollar bill and decided to give it to whoever tells the biggest lie." "You should be ashamed of yourselves," said the teacher, "When I was your age I didn't even know what a lie was." The boys gave the ten dollars to the teacher.
