From the Editor:

This past few month's have really been a bag of mixed emotions. The hodgepodge of things running through my brain are like usual, my own doings. Let's start with elections. First things first. GET OUT and VOTE!!!

Many of you may not know that I've been in the middle of a campaign the last few month's. As a candidate backed by the American Biker Party for the Assembly in the 71st district I have had to manage my time very carefully. For the January issue, I will be either a Wisconsin State Rep or have a renewed look at the riding community. Either way it's a win, win for all in my mind. Check out other candidates that are being backed at www.americanbikerparty.com.

Secondly. This issue will be a combined issue, November/December, so I can take a short sabbatical. If your an advertiser or have a subscription have no fear. Subscriptions will be extended so that you receive 12 issues, and advertising is

charged per issue. I plan on taking my son hunting this year, instead of having to deliver during that time. With it being slow this time of the year, I can concentrate on improving the FRP. (So read the joke page slower this month, make it last.)

The next 2 month's bring with it many holiday's, Halloween, Veterans Day, Thanksgiving and Christmas. Another year gone by, where did the time go to. But do remember that there are still events in these months like the American Thunder Swap Meet in St. Paul, MN at the Rivrecentre Nov 18th, the Toys for Tots Chicagoland Motorcycle Parade (www.chicagolandtft.org) Dec 3rd and Dec 9th A swap meet put on by yours truly here in Stevens Point, WI. See calender for more info on these and a lot more.

I got a chance to attend a couple of Abate meetings in the last few months, and plan on being a little more aggressive with my thoughts on biker rights and legislation. Let's all get involved. We all enjoy the benefit's from the work that our biker rights groups do for us, let's do what you can to support them through membership or participation.

And before I bid a due, one last thing. There was no winner for the "Where is this?" picture in the October issue. The picture was taken in New Glarus. Also, there was no interest in the Tomahawk advertiser run to win a chance on a free script. So onward we go. So for those of you putting your rides away, along with those of you die hards that will be riding for awhile yet, I wish you all Happy holidays and look forward to seeing you at the fabulous indoor shows coming up. Take Care, Ride Safe and Enjoy every minute you can with the family.

Till next time, Preacher

Mission Statement:

This paper was started out of the love and respect for being in the wind, and the brothers and sisters that are in the wind also. I have been riding all my life and have learned what brotherhood means. The Free Riders Press is a paper dedicated to the biker who knows this respect. Not barring any rider for what he wears or rides. We try to cover stories that make the public sit back and have a positive outlook on bikers. We will try to cover events that are for the biker and put on by the biker. This paper will be used to better the riding community through education, updates and personal views that are of positive thinking for the riding community in general. We will try to fight the ongoing discrimination that seems to be thrown onto us without our view being told. Free Riders Press is for all to enjoy, so by working together someday we can be free in the wind, without the worry of any of the aforementioned items.

"Bingo's Downed Biker Fund"

If you have a Brother or Sister down and would like to get them the Free Riders Press, NO PROBLEM, be glad to do it but it does cost money. A lot of people help out by donating some coin. We here will do what we can, but with everybody giving what they can, we will make it go a long way. We all know somebody that's down, and anything would be greatly appreciated.
