

Patriot Guard Riders Mission:

We here at FRP have been mentioning the Patriot Guard Riders quite a bit lately, but I think these Brothers and Sisters are worth every word given to them. Lorie and I headed up to Merrill, WI for the funeral of Sgt. Ryan Jopek who was killed in the line of duty in Iraq. The Jopek family asked that the PGR show up and show up we did, with over 150 riders. August 14th, we all met up at a designated spot and rode over to the Merrill High School where we lined the street with American Flags to show our support for Ryan's family. After the service all the guard members headed over to the cemetery and lined the entrance again.

Now this may not seem like a lot to someone that hasn't experienced this, but to a family this means the world to them. When you see the respect that is given to a fallen loved one, to me it would seem to make the healing a tad bit easier. We support our troops and we will continue to until the need is no more. God Bless our Troops, wherever they may be.
