

### Bingo's B-day/Downed Biker Fund-raiser

Well mother nature reared its head again as most of this summer went, with clouds and the threat of rain keeping attendance down for the Bingo Birthday/"Down Biker fundraiser/G&T swap. But for those of us that made it, the brotherhood was strong with a chance to sit and bullshit with Bingo, and some of the stories this 39 year old (41 times over) has. Most of you know him in this rag from the "Downed biker fund". He spends a lot of time & money helping the brothers and sisters out, that are not able to enjoy the freedoms we do everyday. Man I hope I have as much energy as this brother when I get that age.

Held at Big Johns & Sherry's Little River Inn in Lena, just north of Green Bay. We all got a chance to enjoy some great food cooked up by Bob. Kevin and Lynn spent hours creating a mouth watering booyah that was simply great. Like some one said, "Booyah is like potato chips, you can't eat just one helping", they were right all while we listened to some tunes by the band Whip Lash.

I'd like to thank Big John and Sherry, Scruffy for organizing the event, Bartender Val for great service and all the people that attended. In the words of Big John on the small crowd, "if you were there, this was for a good brother, if you didn't show up F\*\*k ya, we had fun anyways."

I've been here with a fellow cyclist who transferred and left me some of your Free Riders Press. I was wondering how can I start to get a copy or be put on your list to start receiving your Free Riders Press. I found it to be a very informative paper. I enjoyed every article and especially the section of news for thought and riders humor. Please consider my request and thank you for your time. Thanks Ken

No problem, I will get you on the list but do me a favor send us in some of your riding stories. We all would like to read about them. Thanks Preacher
