A physician claimed that the following are actual comments made by his patients (predominately male) while he was performing a rectal exam:

1. "Take it easy, Doc. You're boldly going where no man has gone before!"
 2. "Find Amelia Earhart yet?"
 3. "Can you hear me NOW?"
 4. "Are we there yet? Are we there yet? Are we there yet?"
 5. "You know, in Arkansas, we're now legally married."
 6. "Any sign of the trapped miners, Chief?"
 7. "You put your left hand in, you take your left hand out..."
 8. "Hey! Now I know how a Muppet feels!"
 9. "If your hand doesn't fit, you must quit!"
 10. "Hey Doc, let me know if you find my dignity."
 11. "You used to be an executive at Enron, didn't you?"
 12. "God, Now I know why I am not gay."
- And the best one of all...
13. "Could you write a note for my wife saying that my head is not up there."

An Irishman an Englishman and a Scotsman were sitting in a bar in Sydney. The view was fantastic, the beer excellent, and the food exceptional But" said the Scotsman. "I still prefer the pubs back home. Why in Glasgow there's a little bar called McTavish's. Now the landlord there goes out of his way for the locals so much that when you buy 4 drinks he will buy the 5th drink for you."

Well." said the Englishman "At my local, the Red Lion, the barman there will buy you your 3rd drink after you buy the first 2."

"Ahhh that's nothin'" said the Irishman "Back home in Dublin there's Ryan's Bar. Now the moment you set foot in the place they'll buy you a drink, then another, all the drinks you like. Then when you've had enough drink they'll take you upstairs and see that you get laid. All on the house."

The Englishman and Scotsman immediately pour scorn on the Irishman's claims. He swears every word is true. "Well" said the Englishman "Did this actually happen to you?"

"Not myself personally no" said the Irishman, "But it did happen to my sister."

"When a young boy went up to his father and asked him, "Dad, what is the difference between potentially and realistically?"

The father thought for a moment, then answered, "Go ask your mother if she would sleep with Brad Pitt for a million dollars." "Then ask your sister if she would sleep with Brad Pitt for a million dollars, and then, ask your brother if he'd sleep with Brad Pitt for a million dollars. Come back and tell me what you learn from that."

So the boy went to his mother and asked, "Would you sleep with Brad Pitt for a million dollars?"

The mother replied, "Of course I would! We could really use that money to fix up the house and send you kids to a great University!" The boy then went to his sister and asked, "Would you sleep with Brad Pitt for a million dollars?" The girl replied, "Oh my God! I LOVE Brad Pitt I would sleep with him in a heartbeat, are you nuts?!?!?" The boy then went to his brother and asked, "Would you sleep with Brad Pitt for a million dollars?" "Of course," the brother replied. "Do you know how much a million bucks would buy?" The boy pondered the answers for a few days, then went back to his dad. His father asked him, "Did you find out the difference between potentially and realistically?"

The boy replied, "Yes... Potentially, you and I are sitting on Three Million Dollars.....but Realistically,..... we're living with two Sluts and a Queer."

A retired gentleman went to the social security office to apply for Social Security.

The woman behind the counter asked him for his driver's license to verify his age. He looked in his pockets and realized he had left his wallet at home. He told the woman that he was very sorry but he seemed to have left his wallet at home. "I will have to go home and come back later." The woman says, "Unbutton your shirt." So he opens his shirt revealing curly silver hair. She says, "That silver hair on your chest is proof enough for me" and she processed his Social Security application.

When he gets home, the man excitedly tells his wife about his experience at the social security office. She says, "You should have dropped your pants. You might have gotten disability too."

Hear about the blonde that bought an AM radio? It took her a month to figure out she could play it at night too.

HUMOR

A training session for investigation was held in Virginia for various agencies and at the end an exercise was held. A white bunny was released into the wild and two representatives from different agencies were sent in to apprehend it. Two personnel from the CIA went after their bunny and returned in ten minutes. Then two representatives from the FBI went into the woods and returned an hour later with their bunny. Then two Bronx homicide detectives were sent into the woods to apprehend their bunny and the hours went by.....finally 5 hours later the two Bronx homicide detectives reappear. One is dragging a bear by the scruff of his neck and the other detective is kicking the bear in the balls and the bear is yelling "O.K.....I'm a bunny, I'm a bunny"

While I was driving down the A19 the other day, (going a little faster than I should have) I passed under a bridge only to see a copper the other side with a radar gun laying in wait. The copper pulled me over, walked up to the car, and with that classic patronising smirk, asked:

"Runway too short?"

To which I replied, "I'm late for work".

To which he asked, "What do you do?"

"I'm a rectum stretcher", I responded.

The copper was surprised and confused "A what? A rectum stretcher?? And just what does a rectum stretcher do?"

"Well" I said, " I start by inserting one finger, then I work my way up to two fingers, then three, then four, then with my whole hand in, work side to side until I get my other hand in, and then I slowly start to stretch the hole, until it's about six feet."

Then the copper asked questioningly and cautiously, "And just what do you do with a six foot asshole?"

To which I politely replied, " You give him a radar gun and park him behind a bridge....."
