Hell ya, send them in. You all must be getting tired of my writing. LOL!

Lastly say hi to Winona Bob who is going to start sending in some of his writings for your enjoyment, and also Chubby from Abate of WI. He is going to do a monthly section on what him and all the other ABATE members do best, "the politics of motorcycling". I do have to tell those of you that have sent in, are sending in or will be sending in writings that it may be a short time before we print it. So don't think I forgot about you.

Till Next Time
