

We regret that Skypilot will not have a column this month due to private matters. We here at F.R.P will be saying a prayer for Skypilot, and ask all readers to do the same. Till next month, God Bless.

**Freedom isn't free!  
Just ask Any Soldier**

Another holiday season is fast approaching. We have many soldiers who will not be able to spend that time with their family and friends. We can help bring a little bit of cheer and happiness to these soldiers with care packages from us. The "Any Soldier" program helps people get these packages to our troops. The website gives you the information on what they need and want, how to send it and where to send it so that the unit you choose receives their package. If we all send just one package we can bring many smiles to our soldiers. Let the troops know that we appreciate their service for our country.
