

Big Bikes For Little Tykes was May 19th, 2007 this year. There were over 650 motorcycles registered. It was 100 miles through the scenic Coulee Region. BBLT raised enough money to get Megan Kupka her therapy equipment, and even some left over for her parents to put towards medical bills. If you missed the original story, BBLT is like the Coulee Regions "Make A Wish Foundation". They raise money to make a wish come true for some needy child in the La Crosse surrounding area. This year Megan Kupka needed some therapy equipment to help her get mobile again. This equipment can also be used by her little sisters so it can also be fun. 8 year old Megan was diagnosed with a malignant brain tumor. She is getting better. To see more go to www.caring-bridge.org/visit/megankupka. Thanks to all those that made it or contributed to BBLT. We hope to see you there next year.
