UCLA Study

A study conducted by UCLA's Department of Psychiatry has revealed that the kind of face a woman finds attractive on a man can differ depending on where she is in her menstrual cycle.

For example: If she is ovulating, she is attracted to men with rugged and masculine features. However, if she is menstruating or menopausal, she tends to be more attracted to a man with duct tape over his mouth and a spear lodged in his forehead while he is on fire.

No further studies are expected.

What do retired people do all day

Working people frequently ask retired people what they do to make their days interesting. Well, for example, the other day I went down town and into a shop. I was only there for about 5 minutes and when I came out there was a cop writing out a parking ticket.

I said to him, "Come on, man, how about giving a retired person a break?" He ignored me and continued writing the ticket. I called him a "Nazi." He glared at me and wrote another ticket for having worn tires. So I called him a "doughnut eating Gestapo." He finished the second ticket and put it on the windshield with the first. Then he wrote a third ticket. This went on for about 20 minutes. The more I abused him the more tickets he wrote.

Personally, I didn't care. I came downtown on the bus, and the car that he was putting the tickets on had a bumper sticker that said "Hillary in '08."

I try to have a little fun each day now that I'm retired. It's important to my health.

In summary, the police arrested Patrick Lawrence, 22 year old white male, in a pumpkin patch 11:38 p.m. on Friday night.

On Monday, at the Gwinnett County (GA) courthouse, Lawrence was charged with lewd and lascivious behavior, public indecency, and public intoxication. The suspect explained that as he was passing a pumpkin patch on his way home from a drinking session when he decided to stop, "You know how a pumpkin is soft and squishy inside, and there was no one around for miles or at least I thought there wasn't anyone around" he stated in a telephone interview.

Lawrence went on to say that he pulled over to the side of the road, picked out a pumpkin that he felt was

appropriate to his purpose, cut a hole in it, and proceeded to satisfy his alleged 'need.' "Guess I was really into it, you know?" he commented with evident embarrassment.

In the process of doing the deed, Lawrence failed to notice an approaching police car and was unaware of his audience until officer Brenda Taylor approached him.

"It was an unusual situation, that's for sure," said officer Taylor. "I walked up to Lawrence and he's just banging away at this pumpkin."

Officer Taylor went on to describe what happened when she approached Lawrence.

"I said, "Excuse me sir, but do you realize that you're having sex with a pumpkin?"

He froze and was clearly very surprised that I was there, and then he looked me straight in the face and said..."A pumpkin? Shit...is it midnight already?"

A young ventriloquist is touring the clubs and one night he's doing a show in a small town in Arkansas.

With his dummy on his knee, he starts going through his usual dumb blond jokes.

Suddenly, a blond woman in the 4th row stands on her chair and starts shouting:

"I've heard enough of your stupid blond jokes. What makes you think you can stereotype women that way? What does the color of a person's hair have to do with her worth as a human being?"

"It's guys like you who keep women like me from being respected at work and in the community, and from reaching our full potential as a person. Because you and your kind continue to perpetuate discrimination against not only blonds, but women in general... and all in the name of humor!"

The embarrassed ventriloquist begins to apologize, and the blond yells, "You stay out of this, Mister! I'm talking to that little shit on your knee!"

HUMOR

Hollywood Squares

You remember the Original Hollywood Squares and its comics, this may bring a tear to your eyes. These great questions and answers are from the days when 'Hollywood Squares' game show responses were spontaneous and clever, not scripted and (often) dull, as they are now. Peter Marshall was the host asking the questions, of course.
