A firefighter was working on the engine outside the station, when he noticed a little girl nearby in a little red wagon with little ladders hung off the sides, and a garden hose tightly coiled in the middle.

The girl was wearing a firefighters helmet. The wagon was being pulled by her dog and her cat. The firefighter walked over to take a closer look.

'That sure is a nice fire truck,' the firefighter said with admiration.

'Thanks,' the girl replied.

The firefighter looked a little closer. The girl had tied the wagon to her dog's collar and to the cat's testicles.

'Little partner,' the firefighter said, 'I don't want to tell you how to run your rig, but if you were to tie that rope around the cat's collar, I think you could go faster.'

The little girl replied thoughtfully, 'You're probably right, but then I wouldn't have a siren.'

A Florida couple, both well into their 80s, go to a sex therapist's office.

The doctor asks, 'What can I do for you?'

The man says, 'Will you watch us have sexual intercourse?'

The doctor raises both eyebrows, but he is so amazed that such an elderly couple is asking for sexual advice that he agrees.

When the couple finishes, the doctor says, 'There's absolutely nothing wrong with the way you have intercourse.'

He thanks them for coming, he wishes them good luck, he charges them \$50 and he says good bye.

The next week, the same couple returns and asks the sex therapist to watch again.

The sex therapist is a bit puzzled, but agrees.

This happens several weeks in a row.

The couple makes an appointment, has intercourse with no problems, pays the doctor, then leave..

Finally, after 3 months of this routine, the doctor says, 'I'm sorry, but I have to ask.'

Just what are you trying to find out?'

The man says, 'We're not trying to find out anything.'

She's married; so we can't go to her house.

I'm married; and we can't go to my house.

The Holiday Inn charges \$98.

The Hilton charges \$139...

We do it here for \$50, and

Medicare pays \$43 of it, leaving my net cost of \$7.

A lawyer boarded an airplane in New Orleans with a box of frozen crabs and asked a blonde flight attendant to take care of them for him.

She took the box and promised to put it in the crew's refrigerator. He advised her that he was holding her personally responsible for them staying frozen, mentioning in a very haughty manner that he was a lawyer, and proceeded to rant at her about what would happen if she let them thaw out.

Needless to say, she was annoyed by his behavior.

Shortly before landing in New York, she used the intercom to announce to the entire cabin, "Would the gentleman who gave me the crabs in New Orleans please raise your hand?"

Not one hand went up ... so she took them home and ate them.

Two old men were sitting in a bar.

One said to the other, "if I die first I want you to pour a 5th of whiskey on my grave every year on my birthday?"

The other said, "do you mind if I filter it through my kidneys first?"

HUMOR

Two old men feeling they are close to their last days on earth decided to have a last night on the town.

After a few drinks they end up at the local brothel. The madam takes one look at the two old geezers and whispers to her manager, "go up to the first two rooms and put an inflated doll in each bed, I'm not wasting two of my girls on them". These two are so old and drunk they won't know the difference."

The two men go up the stairs and take care of their business. As they are walking home the first one says, "You know, I think my girl was dead!""Dead?" says his friend, "why would you think that?""Well, she never moved or made a sound all the time I was loving her."His friend says, "I think mine was a witch."

"A WITCH!!! Why the hell would you say that?""Well, I was making love to her, kissing on her neck and I gave it a little bite, then she farted and flew out the window.

Grampa and Billy were working out in the garden. Grampa spies Billy trying to put a worm back into the ground.

"You'll never get that worm back in his hole," said the old man.

Suddenly, Billy had an idea. He ran into the laundry room and came back with a can of spray starch.

After a few sprays, the worm was as stiff as a board and Billy was able to slide him back into the earth.

"Billy! You're a genius," exclaimed grampa. He hugged Billy, gave him a dollar out of his pocket, grabbed the starch, and ran inside.

Thirty minutes later, grampa comes back out smiling. He gives Billy another dollar.

"Grampa," said the boy, "You already gave me a dollar." "No," replied grampa, "That dollar's from grandma!"

Two men were walking home after a Halloween party and decided to take a shortcut through the cemetery just for laughs. Right in the middle of the cemetery they were startled by a tap-tap-tapping noise coming from the misty shadows.

Trembling with fear, they found an old man with a hammer and chisel, chipping away at one of the headstones. "Holy cow, Mister," one of them said after catching his breath, "You scared us half to death -- we thought you were a ghost! What are you doing working here so late at night?"

"Those fools!" the old man grumbled. "They misspelled my name!"
