**From Dave Zien October 12, 2011**

Finishing much of my Christmas shopping is a great feeling. Enclosed is \$540/27 subscriptions to the Free Rider Press. Receiving the collector issues are family members, a niece in Iraq, a wedding present and even a couple of people who owe me money. They all will enjoy the wonderful blend of patriotism, Godliness and substantive issues relating to the Biker lifestyle. Thanks to al those participating in the Ride for Vets on 9/17/11 at Tomahawk, especially Sis, Dan Stephans, Preacher and Lori-Sky. Plans are already being made for next year. Let's see if you can recreate that bond fire with professional musicians singing heart and soul - or reuniting friends after a 34-year absence.

Mike Jones wolfonthemoon.com is still making giant strides for his upcoming next three movies. Born to Ride has sold out DVD's at many outlets in the USA and Canada. Ya gotta keep tuned in to the Free Rider Press. He will need extras for Homeowners Association and Legends, much to be filmed in Milwaukee and Chicago.

Mike personally written scripts and songs do capture the mystique and heritage of the Biker Lifestyle. While others may tattoo their bodies, I emblazon Biblical passages and spiritual inscriptions onto my black 3-wheeled Harley.

Sue Menard did the lettering while Bonnie's Leatherworks did the embroidering. They come up with a royal type blue, which was present during times of my critical care in March. The blue was so brilliant and yet all encompassing in though, word and deed.

Inside faring: Wind - God's Holy Spirit In the Wind - Bathing our every essence! Beseeching, yearning & Beckoning -

God's Grandeur! Left fender vinyl skirt: Excessive sugar and gluttony Life without prayer

Can be evil - Embraces and paralyzes the Soul. Obesity is Prayer earns

Deliberate and absolute suicide - life ends. Majestic, eternal jubilance - Heaven begins!

God bless You, Your loved ones & our troops. Dave Zien

former State Senator  
Million Mile Motorcycle Man

P.S. On Wednesday, 10/5/11, I was the first at the scene after a car collision on Midvale in Madison. Then on Saturday, 10/8/11, I was first at the scene with medical experience near Augusta. Thanks to Accident Scene Management. Please get the training!
