A couple was watching a Discovery Channel special about an

African bush tribe whose men all had penises 24 inches long. When males reach a certain age, a string is tied around their penises. And on the other end is a weight. After a while, the weight stretches the penis to 24 inches.

Later that evening as the husband was getting out of the shower, his wife looked down at him and said, "How about we try the African string-and-weight procedure?"

The husband agreed and they tied a string and weight to his penis.

A few days later, the wife asked the husband, "How is our little tribal experiment coming along?"

"Well, it looks like we're about half way there" he replied.

"Wow, you've grown to 12 inches??"

"No...it's turned black."

For his birthday Little Patrick asked for a 10 speed bicycle. His father said, "Son, we'd give you one, but the mortgage on this house is \$80,000 and your mother just lost her job. There's no way we can afford it."

The next day the father saw Little Patrick heading out the front door with a suitcase. So he asked, "Son, where are you going?"

Little Patrick told him, "I was walking past your room last night and I heard you tell mom you were pulling out. I heard her tell you to wait because she was coming too. And I'll be damned if I'm sticking around here by myself with an 80,000 mortgage and no transportation."

A mother was working in the kitchen, listening to her five-year-old son playing with his new electric train in the living room.

She heard the train stop & her son saying, "All of you bastards who want off, get the hell off now, 'cause this is the last stop! And all of you bastards who are getting on, get your ass in the train, Cause we're going down the tracks."

The horrified mother went in & told her son, "We don't use that kind of language in this house. Now I want you to go to your room & stay there for TWO HOURS. When you come out, you may play with your train, but I want you to use nice language."

Two hours later, the son came out of the bedroom & resumed playing with his train. Soon the train stopped & the mother heard her son say, "All passengers who are disembarking the train, please remember to take all of your belongings with you. We thank you for travelling with us today & hope your trip was a pleasant one."

She hears the little boy continue, "For those of you just boarding, we ask you to store all of your hand luggage under your seat. remember, there is no smoking on the train. We hope you will have a pleasant and relaxing journey with us today."

As the mother began to smile, the child added, "For those of you who are pissed off about the TWO HOUR delay, please direct your complaints to the fat bitch in the kitchen."

A young doctor had moved out to a small community to replace a doctor who was retiring. The older doctor suggested the young one accompany him on his rounds so the community could become used to a new doctor. At the first house a woman complained, "I've been a little sick to my stomach." The older doctor said, "Well, you've probably been overdoing the fresh fruit. Why not cut back on the amount you've been eating and see if that does the trick?"

As they left the younger man said, "You didn't even examine that woman. How'd you come to your diagnosis so quickly?" "I didn't have to. You noticed I dropped my stethoscope on the floor in there? When I bent over to pick it up, I noticed a half dozen banana peels in the trash. That was what was probably making her sick."

"Huh," the younger doctor said, "Pretty clever. I think I'll try that at the next house." Arriving at the next house, they spent several minutes talking with a younger woman. She complained that she just didn't have the energy she once did. "I'm feeling terribly run down lately."

"You've probably been doing too much work for the church," the younger doctor told her. "Perhaps you should cut back a bit and see if that helps."

As they left, the elder doc said, "Your diagnosis is almost certainly correct, but how did you arrive at it?"

"Well, just like you did at the last house, I dropped my stethoscope and when I bent down to retrieve it, I noticed the preacher under the bed."

HUMOR

FAX: To My Dear Wife,

"You will surely understand that I have certain needs that being with a 54-year old you can no longer supply. I am very happy with you and value you as a good wife. Therefore, after reading this fax, I hope you will not wrongly interpret the fact that I will be spending the evening with my 18 year old secretary at the Comfort Inn Hotel. Please don't be perturbed I shall be back home before midnight".

When the man came home, he found the following letter on the dining room table. "My Dear Husband, I received your fax and thank you for your honesty. I too am very happy with you and value you as a good husband. I would like to take this opportunity to remind you that you are also 54 years old. At the same time I would like to inform you that while you read this, I will be at the Hotel Fiesta with Michael, my tennis coach, who like your secretary is also 18 years old.

"As a successful businessman and with your excellent knowledge of Math, you will understand that we are in the same situation, although with one small difference. 18 goes into 54 more often than 54 goes into 18. Therefore I will not be back until lunchtime tomorrow".

A mother and her young inquisitive son were flying Southwest Airlines from Kansas City to Chicago. The son (who had been looking out the window) turned to his mother and asked, "If dogs have baby dogs and cats have baby cats, why don't planes have baby planes?"

The mother (who couldn't think of an answer) told her son to ask the flight attendant. So the boy dutifully asked the flight attendant, "If dogs have baby dogs and cats have baby cats, why don't planes have baby planes?"

The flight attendant responded, "Did your mother tell you to ask me that?" The little boy admitted that she did. "Well, then, tell your mother that there are no baby planes because Southwest always pulls out on time. Now, let your mother explain that to you."

After reviewing a complicated divorce case, the Judge looks to the husband and says, "Based upon the facts before me, I've decided to give your wife \$750 per month."

The husband smiles and says, "That's great. Heck, I'll even throw in a few bucks myself."
