

2nd Annual FCP Thunder Valley Biker Rally held June 11-13, 2004

Thursday night June 10th the town of Crandon opened their doors to the riders with a street dance that was put together by Duck's Bar, Pack'em Inn, Shovelhead's and Sparky's and the Chamber of Commerce, (hats off to you for a fine job). With no problems in town, it was great with the nice weather.

Friday and Saturday at the track was just as good considering the threat of some nasty storms looming around the area, with live music from Molly Hatchet, Night Ranger, The Vic Ferrari Band, Tuck Pence and more. Saturday brought on the bike games, vendors and a great display of fire works sat night. We didn't get a chance to go on the big buck poker run sponsored by Vandervest H-D of Peshtigo and the Crandon Raceway, but hopefully next year.

I had a chance to talk to Tiffany from the raceway and she said, "attendance was up 1500 bikes even with the threat of rain south of the track". She also said, "response was great from the north, with 100% return on the radio passes." All in all I'd have to say this was a great party. If you missed it be sure to make it next year, held **June 10-12, 2005**.

I'd like to thank Tiffany and the whole staff at Crandon International Raceway and the good folks in Crandon for making all the riders so welcomed. We will for sure see your next year. Be sure to check out their web at www.crandonoffroad.com for other events held at the track.
