## Wausau Fire Fighters MDA Run

On May 21, 2005, the firefighters of Wausau hosted the 2nd annual Firefighters Ride for MDA. It started at Wausau Harley Davidson Saturday morning, and made its way east to Birnamwood. This is where the Birnamwood fire department supplied everyone with snacks and beverages. The ride continued to the east into Bowler. Lunch was provided for everyone at Mohican North Star Casino, along with \$10 for everyone to use for their pleasure. We then made our way to AJ's Place on Hwy 29. The place was packed and everyone was enjoying themselves with a free drink from AJ's. From there we rode back to Wausau Harley Davidson for beer and food provided by the Rib Mountain Lions. The ride ended at The Office Bar in Schofield with the entertainment provided by The Band Magnum. This is where we drew the winner for the 2005 Harley Davidson Road King. Magnum is made up of firemen from Plum Lake, WI. The day ended with 689 people registered for the ride, and 465 motorcycles. We are able to donate to MDA a check for \$18,000. The ride for next year will be on May 20, 2006. More information will be on our web site shortly at [www.wausaufire.com](http://www.wausaufire.com)
