You Gotta See This Place!!!

You ever heard of Quaker Steak & Lube Restaurants? I never did until Mike of Madison turned me onto one. The place is filled with Different themed rooms. Like the auto racing room with a NASCAR and sprint car hanging from the ceiling. A motorcycle room that has all kinds of bike hanging around , including a plastic kid going through a glass partition. Looks very real to me anyway. With a full menu, this is definitely a place to stop in while on one of the ride. Did I mention they have a Bike Night every Wednesday from 5-10pm till October 18th. Hundreds of riders from around the Madison area come to see the outside band, vendors, food/wings outside beer garden and fun. If you can head out to QS&L at 2259 Deming Way Middleton, WI, Do it, I promise you won't be let down. Www.quakersteakand-lube.com
