From the Editor

Did you all have a great time at Tomahawk this year? I know I did. Getting there Friday afternoon and it already being busy was a sign for me to stay somewhat close to the sleeping quarters. Lorie and I did head out Friday night to Rhinelander for the Varsity football match-up, great game Spash. Afterwards we headed downtown for my only appearance of the weekend to see the brothers (BlackFrog) kick some major musical ass. (I hope young Eli survived the night) For the rest of the weekend I took a little R&R time just hanging at the FRP booth, meeting new and old friends. I did run into the Big Schwag like many of you did. Next year we ride Brother!! I'll play tour guide. Other than that for the weekend, if you weren't there is was your loss. Maybe next year. And remember to send in them stamped Tomahawk business ads for a chance at free subscriptions.

I do want to mention that this is the time of the year that we here at FRP get to catch our breath a tad. Meaning, this is our slow down time. So with that I can get all them events I went to this last summer in the paper. (If you haven't seen your event in the paper, send me an e-mail and remind me-www.freeriderspress.us) I am also in the middle of putting some things together to make things a little easier for everyone involved with the paper in the upcoming season. (Always trying to better the Free Riders Press) As I've said in the past, Bikers don't just hibernate in the winter, we just redirect our pleasures elsewhere.

Also a couple quicky items.

The New section "What would Brad Do" is off to a slow start, send in them tech questions to Preacher@freeriderspress.us, I will forward to Brad "The Wrench" Ruel www.thewrenchonline.com and he'll do his best to answer them. Also send in those "Next Generation" pictures along with any pics of unusual things seen by you on the road, for the "Where is this" section.

Other than that have a great month, enjoy the ride and start getting them bikes ready for the upcoming Bike Show season.

Preacher

If you have a picture of your Next Generation Rider, feel free to send it in to me. Who knows it just might kick start a Hollywood career for them. Send those pic's to preacher@freeriderspress.us or by snail mail to 4500 Hwy 66, Stevens Point, WI 54481

Let Me know where this is and I will take all the right answers and draw one for a free subscription. E-mail your guess to preacher@freeriderspress.us

The winner of September's "Where is this" is Catherine P. who said it is on Hwy 11 outside of Burlington. Thx to the others for their correct guess's.

Mission Statement:

This paper was started out of the love and respect for being in the wind, and the brothers and sisters that are in the wind also. I have been riding all my life and have learned what brotherhood means. The Free Riders Press is a paper dedicated to the biker who knows this respect. Not barring any rider for what he wears or rides. We try to cover stories that make the public sit back and have a positive outlook on bikers. We will try to cover events that are for the biker and put on by the biker. This paper will be used to better the riding community through education, updates and personal views that are of positive thinking for the riding community in general. We will try to fight the ongoing discrimination that seems to be thrown onto us without our view being told. Free Riders Press is for all to enjoy, so by working together someday we can be free in the wind, without the worry of any of the aforementioned items.

" Bingo's Downed Biker Fund"

If you have a Brother or Sister down and would like to get them the Free Riders Press, NO PROBLEM, be glad to do it but it does cost money. A lot of people help out by donating some coin. We here will do what we can, but with everybody giving what they can, we will make it go a long way. We all know somebody that's down, and anything would be greatly appreciated.
