Year Number One, was 'LINDSAY'. Number two was 'SARAH'. AND we look forward to the new member being added next August.

The ride begins at the BOAR HOUSE, and goes to the HARBOR BAR, in Red Wing, Mn. and back. It is a one day ride, and this year, one of the charter members was joined by his wife.

Antiques Show at Fairgrounds

The Vikings Chapter of the Antique Motorcycle Club of America hosted the national show at the Minnesota State Fair Grounds, June 15 and 16.

According to Viking Board Member SEAN O'NEIL, "this is the biggest event for antique motorcycle enthusiasts in 2007. We had over 120 bikes on display covering models from all around the world, and all across the Twentieth Century."

O'Neil reported that the event used to be held at the fairgrounds in Farmington, Mn in the past 30 years, but an event this size needed more room. The Minnesota State Fair Grounds offered display area both outside and inside, camping, and ready access to local businesses for gas, food, etc..

A feature was the return of the 'WALL OF DEATH'. Some people may remember the 1927 INDIAN SCOUT, racing around a great wooden barrel. Eighty years later, it was still a MUST SEE.

Those interested in antique bikes, may contact O'NEIL, at 612 - 870 - 0766, or on the net <http://www.vikingmc.org/>
