

It's hard to believe that the summer of 2007 is over and fall is here. For many that signals the end of the riding season, but here in the QCA Fall is a great time to be out riding. The Great River Road on the Illinois side of the Mississippi River is lined with trees full of leaves changing colors. No stop lights from where the river turns west all the up to Savanna. All along the way you will some of the best motorcycle friendly places. Starting with Scooters in E. Moline, River Oaks in Cordova, Howard's Tap in Albany the Outpost in Fulton, and Iron Filly in Thomson. Don't forget about Dickey's Burger & BBQ just north of Howard's Tap. When you get to Historic Downtown Savanna you have lots to choose from. The best way is to just park your bike and hit the bricks cause along just a few blocks you have a dozen places to wet your whistle. The newest one is Hog Dogs an inviting corner bar & grill with a motorcycle co-op with huge display cases filled with all kinds of cool stuff. I did make it to Bike Nite at Time Out in Clinton and they had the huge Budweiser beer tour bus stop by and give out samples of beer to everyone. They offer this huge and I mean HUGE nacho dish that you have to see to believe. If your looking for a laid back Bike Nite then Scooters is where to go. Enjoy the fall riding here in the QCA and as always ride safe. Gery Schemel gery@gmaxpro.com
