

Fox Lake Chamber Motorcycle Rally

August 26th I woke up in Fox Lake IL after covering over 500 miles the day before. In the daylight you could see the flooding that occurred the week before, with the Fox River overflowing her banks and wreaking havoc on roads and business's. One instance of this was at Lake front Park. The event to be held (the Fox Lake Chamber Motorcycle Rally) was moved a couple hundred feet away from the river due to the area to be used for a bike show was still under water. But as bikers go, the problem was fixed asap and the day continued on with vendors, a bike show, music and a bike build off. Skip from Action Cycle & Terry from Red Rooster teamed up against Dozer & Bobby from ORR doing a Biker Build-Off at this event with the help from Schwinn. That's right Schwinn bicycles were fabbed and one was auctioned off.

As with many events the attendance was lighter than expected, but we all know there are 50 million things to do in the riding world during the summer. But I am told there will be a 2nd Annual next year so keep an eye on the calendar for that.

Thanks to the Fox Lake Chamber of Commerce, Open Road Radio and Schwinn for the good time and I will see you again next year.
