

Hogs to Bogs

Oct 12 & 13th 2007

The State Wide Chili Cook-Off is fast approaching. Some of you were chefs in the fun & friendly competition last year. We encourage and would like you to enter again. Do you have the winning concoction this year? The VIP's will be judging as they mingle with the crowd. Remember chefs get in for FREE so ask your friends to make a chili and enter with you. There is still time to mail your info or email biker8698@charter.net with any questions.

There are rooms available but the Hotel is filling fast. When you book your room remember to ask for the ABATE block so you get the discount of \$66.00 per night. Phone # is on the flyer.

You won't want to miss the trivia/poker walk for a Friday night full of camaraderie with your friends. Walk to the fine establishments all within 3 blocks of the Hotel and having a soda is always an option.

The Trivia/VIP/Hogs to Bogs Ride takes on a new twist this year through the beautiful countryside in the Wi Rapids area. You can take the bike or any vehicle to get the stops. All the stops are at very unique places of interest with no bars on the ride. It will start Saturday at 9 am with a bike/vehicle blessing and last until 2 pm. Answer the Trivia questions correctly at each stop and draw your cards to win some cold hard cash.

There will be door prizes, auction items to bid on, 50/50's, raffles, which region will make the most \$\$ on their basket, the chili contest, vendors, music, and much, much more to keep you busy through the day and night.

On Sunday don't forget to stay for the Annual Meeting. It starts at 11am with a short intro with the leaders of this great organization. Find out where we are headed, what's facing us on the legislative front, where we are as a corporation, what's going on at the office, plus other valuable information to gather. Then listen and see who is bestowed with the honor of the Founders Award, Rep of the Year Award, and the Executive Directors Award along many others that are presented to outstanding people of ABATE.

This is your organization, we hope you are planning to enter a chili and/or support this wonderful event. Everyone is WELCOME, it is open to the public!
