

Hogs to Bogs 2008

Who didn't venture out for the Hogs to Bogs/Chili Cook-Off event at Hotel Mead in Wisconsin Rapids? Come on, don't be shy. Your forgiven this time as long as you catch it this year. Oct 10-12th. This event is at a time in the year "October" when there is not a whole

lot going on, so the decision should be an easy one, ATTEND this year. You won't regret it.

Last year I did get a chance to attend the poker walk that included a great bunch of bars that are all supportive of bikers rights. Notice I said poker WALK. Yep, all stops within walking distance of the hotel Mead. On Saturday I checked out the vendors, listened to some music in the hotel parking lot and watched some of the hung over poker walk participants pull their cards.

The chili cook-off held Saturday and sponsored by ABATE was great with nearly 20 different kinds of chili presented with all degrees of heartburn to go along with it. I know I had my share, but then again I should have stayed away from the table of chili being served by the devil. Saturday night holds more entertainment with live music in the ballroom. I haven't attended this part of the weekend but am planning on it this year.

If you enjoy living in a helmet choice state and enjoy riding the beautiful roads of Wisconsin freely and enjoyably, I would urge everyone to join ABATE or at least support what these Brothers and Sisters do for you. I know that if we all join together as riders and not little individual groups doing things for only themselves and own self interests we can control our own destiny's.
