That old-timer who left Ronny & me stranded with the words, you can 't get there from here ' didn 't know diddly, because if you can 't there from here, you can 't get anywhere & if you can 't get anywhere, well you ain 't nowhere at all.

Anamosa, IA. During a somewhat rainy day I noticed a good size group of bikes parked outside of Greg's Pit Stop in Tipton, IA. So I loaded up with some extra copies and passed them around while chatting with some real good people. A few of the riders wore a combination U.S. Marine Corp & Mason patch which I was drawn to being born on the Base in San Diego, CA. I found the guy who ran Dicky's Burger & Barbeque on the Great River Road just north of Howard's Tap in Albany, IL. He now has a Place called Dicky's Dogs, Balls & Barbeque in the old ice cream place in Lyons (north end of Clinton, IA) on the same stretch of road that you'll find some good Motorcycle Friendly Places such as Doyle's, Lyon's Tap, Main Ave Pub, Just Friends and the Silver Dollar

Saloon and just north of Espresso Cigars & More which serves their soon be area wide famous Cuban Sandwich. Down in Muscatine, IA Hatfield's Motorsports will be holding an Open House 11th.

Since I was Hosting the Harleys & Hotrods event in Savanna, IL Lois (thank you again Lois) at the L & M Motel offered me a room. While the L & M Motel has several "Themed" rooms, from hunting to cars and of course motorcycles, the room I stayed not one of them. But it was more then just a room it was more like a mini apartment. But what struck me more then the full sized fridge, a real stove, big TV or even the real towels (you know the kind fluffy and soft not thin and rough) was how clean it was. I don't just mean cleaned up but you could tell it is always kept CLEAN. I do plan on staying in the motorcycle rooms and writing up a little review for you.

Ride safe N enjoy the freedoms we still have!!!
