

Keep the soldiers and their families of the Wisconsin National Guard 32nd Brigade in your thoughts and prayers

More than seven months after they entered active duty in the U.S. Army - and now about halfway through the time they will spend in Iraq - the 3,200 men and women of the Wisconsin National Guard's 32nd Infantry Brigade Combat Team are focused on missions ranging from transporting detainees from what was once the largest theater internment facility in the country... to securing forward operating bases... to furnishing a shabby school in Umm Qasr... to transferring Baghdad's International Zone back over to the Iraqi government. Please send your pictures of the soldiers or their families of the 32nd or of anyone else that is currently deployed. I want to keep this section going until they finally come home early next year, but to do that I need some more pictures from everyone. Send your pictures to lorie@freeriderspress.us or mail to: 4500 State Hwy 66, Stevens Point, WI 54482. If any soldier out there would like to receive the paper email me at: lorie@freeriderspress.us.

Yupee Biker Wannabees Just a Fad- A Passing Fantasy

I look so biker bad,

That I gotta' sneak up on a glass of Water.

I smell so biker bad, that going by a deer carcass,

The maggots leap up and lunge into the ditch.

But what's worse and hurts the most is when someone mistakes me for those "Yupee Biker Wannabee's"----

Charmin Charlie, Dan Stephans, Hardtail, Frog, Pollack, Preacher,

Tony "Pan" SanFelipo, Tony Simington - or you know -----

Hey, I'm sorry for calling you guys "Yupee Biker Wannabees"

I meant to say, "Rookie Yupee Biker Wannabee's".

Me? I'm just a rookie in training.

God Bless You! Dave Zien
