

Howdy again Free Riders Press readers. "Bone-Leg-Dog" is glad to be back sharin' our lifestyle happenin's with ya'll. I have been kinda-sorta out of order but thanks to the bestest biker lifestyle Brothers and Sisters all over the world, I have had the great time of meetin' in the past 50 years. I am proud to say "Bone-Leg Dog" is on the biker lifestyle highway to getting' more better. Thanks to all!! Ya'll know who you are! Scooter folk just south of the Wisc, border is Rockford, Il. The 3rd worst something city in the U.S in the establishments way of life, but in our way of life Rockford rocks.

Example bein' the biker bar Whiskey Roadhouse at www.whiskeyroadhouse.com on their Thursday Bike Night had the 1 and only Bag Lady Sue show that's the bestest biker chic funny lady in the world. In my party of 8, I had 2 virgins to the Bag Lady Sue show. My caregiver

Bag Lady Sue gettin' a handful of Bone-Leg- Dog after the show.

Jimmie AKA My chocolate drop and Dale that lives in the same old folks high rise I do that has become a very good friend. Neither of us do the Butt Club deal at the old folks high raise. The rest of my party was owner and staff from 2-Wheel Inn. Folk that have been a great help to "Bone-Leg-Dog" getting' back on at least 1 leg. We all want to say to Jill my contact and her family and staff at Whiskey Roadhouse, thanks for 1 hell of a great night of biker lifestyle entertainment outside with hundreds of bikers and motorcycles.

I have been lucky enough to see 5 Bag Lady Sue shows and I'm fixin' to tell all Free Riders Press readers if she is doin' a show near ya'll, dam-it go see her. Bag Lady Sue is Unforgettable. After Bag Lady Sue's obligations were done at Whiskey Roadhouse she went to the 2-Wheel Inn till closin' and had a blast. Check out 2 Wheel Inn facebook.

I would like ya'll to give the biker bars in Rockford, Il a visit, because the biker lifestyle is happenin' all the time. I have hooked up with a pro photograph taker at gotchaphotography facebook that is at a lot of the same events I am, so I have a Chico to thank for these photo's. Ride fast buit safe.
