

I was honored to attend a ride for a group of individuals that I feel do a great job promoting one of my passions. Veterans! The group known as Ultimate Sacrifice USA does as much as they can to bring honor to those that serve and have died for their country or maybe just an event to raise awareness for the citizens to support those that served all of us.

The 3rd Annual Veterans Motorcycle Ride that started at HD of Wausau and rode through the country side of central Wisconsin. Afterwards we ended up at The Bar for some food, drink and the give-a-way of a ton of prizes.

These prizes included 2 chainsaw wood-carvings that were won by the Ultimate Sacrifice USA president Stuffer and Lynelle that in turn donated them both back for another time.

Thanks mto All the members for their hospitality and support of our heroes fallen or not. I look forward to doing more with you in the future.

If you want more info on the group check out www.ultimatesacrificeusa.org A Short note: There will be a more in depth story on the Ultimate Sacrifice USA founders and members in a future issue of the Free Rides Press.
