

The Wall

by SkyPilot Freelance Writer

I thought this month instead of witting about Camp Outs, Road Trips and other such things, I would write about facts about THE WALL.

A little history most people will never know.

Interesting Veterans Statistics from the Vietnam Memorial Wall
There are 58,267 names now listed on that polished black wall, including those added in 2010.

The names are arranged in the order in which they were taken from us by date and within each date the names are alphabetized.

The first known casualty was Richard B. Fitzgibbon, of North Weymouth, Mass. Listed by the U.S. Department of Defense as having been killed on June 8, 1956. His name is listed on the Wall with that of his son, Marine Corps Lance Cpl. Richard B. Fitzgibbon III, who was killed on Sept. 7, 1965.

There are three other sets of fathers and sons on the Wall.

There are 39,996 on the Wall were just 22 or younger.

There are 8,283 were just 19 years old.

The largest age group, 33,103 were 18 years old.

There are 12 soldiers on the Wall were 17 years old.

There are 5 soldiers on the Wall were 16 years old.

There is one soldier, PFC Dan Bullock was 15 years old.

There are 997 soldiers were killed on their first day in Vietnam .

There are 1,448 soldiers were killed on their last day in Vietnam .

There are 31 sets of brothers are on the Wall.

There are thirty one sets of parents lost two of their sons.

There are 54 soldiers attended Thomas Edison High School in Philadelphia. I wonder why so many from one school.

There are 8 Women are on the Wall. Nursing the wounded.

There are 244 soldiers were awarded the Medal of Honor during the Vietnam War, 153 of them are on the Wall.

Beallsville, Ohio with a population of 475 lost 6 of her sons a lot for a small town.

West Virginia had the highest casualty rate per capita in the nation. There are 711 West Virginians on the Wall.

The Marines of Morenci, Arizona. They led some of the scrappiest high school football and basketball teams that the little Arizona copper town of Morenci (pop. 5,058) had ever known and cheered. They enjoyed roaring beer busts. In quieter moments, they rode horses along the Coronado Trail, stalked deer in the Apache National Forest and in the patriotic camaraderie typical of Morenci's mining families, the nine graduates of Morenci High enlisted as a group in the Marine Corps.

Their service began on Independence Day, 1966. Only 3 returned home.

The Buddies of Midvale Utah - LeRoy Tafoya, Jimmy Martinez, Tom Gonzales were all boyhood friends and lived on three consecutive streets in Midvale, Utah on Fifth, Sixth and Seventh avenues. They lived only a few yards apart. They played ball at the adjacent sandlot ball field. and they all went to Vietnam. In a span of 16 dark days in late 1967, all three would be killed. LeRoy was killed on Wednesday, Nov. 22, the fourth anniversary of John F. Kennedy's assassination. Jimmy died less than 24 hours later on Thanksgiving Day. Tom was shot dead assaulting the enemy on Dec. 7, Pearl Harbor Remembrance Day.

The most casualty deaths for a single day was on January 31, 1968 - 245 deaths.

The most casualty deaths for a single month was May 1968 - 2,415 casualties were incurred.

For most Americans who read this they will only see the numbers that the Vietnam War created. To those who survived the war, and to the families of those who did not, we see the faces, we feel the pain that these numbers created. We are, until we too pass away, haunted with these numbers, because they were our friends, fathers, husbands, wives, sons and daughters. There are no noble wars, just noble warriors.

I leave you with these facts to think upon to ponder and wonder how many are going to be on a Memorial for those lost in Iraq and Afghanistan Wars. War is the most inhumane thing on the planet EARTH, it is not a kind thing and I only wonder if GOD wants this to happen to us and future generations. Stop and think what is written here and see what you come up with.

Until next time "Be Safe" on the roads and God Bless us all.
