One day a little girl was sitting and watching her mother do the dishes at the kitchen sink. She suddenly noticed that her mother had several strands of white hair sticking out in contrast on her brunette head.

She looked at her mother and inquisitively asked, 'Why are some of your hairs white, Mum?' Her mother replied, 'Well, every time that you do something wrong and make me cry or unhappy, one of my hairs turns white.'

The little girl thought about this revelation for a while and then said, 'Mummy, how come ALL of grandma's hairs are white?'

Five surgeons from big cities are discussing who makes the Best patients to operate on.

The first surgeon, from New York , says, 'I like to see accountants on my operating table because when you open them up, everything inside is numbered.'

The second, from Chicago , responds, 'Yeah, but you should try electricians! Everything inside them is color coded.'

The third surgeon, from Dallas , says, 'No, I really think librarians are the best, everything inside them is in alphabetical order.'

RIDERS

The fourth surgeon, from Los Angeles chimes in: 'You know, I like construction workers...Those guys always understand when you have a few parts left over.'

But the fifth surgeon, from Washington , DC shut them all up when he observed: 'You're all wrong. Politicians are the easiest to operate on. There's no guts, no heart, no balls, no brains, and no spine.. Plus, the head and the butt are interchangeable.'

Well the bill that allows gays to serve openly in the Military has passed and was signed into law.

No more don't ask don't tell.

But what this really has done is cause confusion in the ranks that could easily cost Marine lives.

You know that Marines are trained to immediately obey orders. So just imagine.....

You're a Marine..... in a combat situation; an enemy soldier is firing at you, and running toward your position.

The guy next to you is openly gay.

Then your Squad Leader yells out..... "Shoot the c**ksucker!"

Do you see the confusion here?

The owner of a golf course in Georgia was confused about paying an invoice, so he decided to ask his secretary for some mathematical help. He called her into his office and said, "You graduated from the University of Georgia and I need some help.. If I were to give you \$20,000, minus 14%, how much would you take off?"

The secretary thought a moment, and then replied, "Everything but my earrings."

HUMOR

A nun, badly needing to use to the restroom, walked into a local Hooters.

The place was hopping with music and loud conversation and every once in a while 'the lights would turn off.'

Each time the lights would go out, the place would erupt into cheers.

However, when the revelers saw the nun, the room went dead silent. She walked up to the bartender, and asked, 'May I please use the restroom?'

The bartender replied, 'OK, but I should warn you that there is a statue of a naked man in there wearing only a fig leaf.'

'Well, in that case, I'll just look the other way,' said the nun.

So the bartender showed the nun to the back of the restaurant.

After a few minutes, she came back out, and the whole place stopped just long enough to give the nun a loud round of applause.

She went to the bartender and said, 'Sir, I don't understand. Why did they applaud for me just because I went to the restroom?'

'Well, now they know you're one of us,' said the bartender, 'Would you like a drink?'

'No thank you, but, I still don't understand,' said the puzzled nun.

'You see,' laughed the bartender, 'every time someone lifts the fig leaf on that statue, the lights go out.'

Now, how about that drink?

A Sunday school teacher was discussing the Ten Commandments with her five and six year olds. After explaining the commandment to 'honor' thy Father and thy Mother, she asked, 'Is there a commandment that teaches us how to treat our brothers and sisters?'

From the back, one little boy (the oldest of a family) answered, 'Thou shall not kill.'

Why should you only put 239 beans in bean soup? Cuz one more will make it "too farty!"
