

Hey Guys, Could you get me the address to Bikers against Child Abuse? I was really moved by the story on Cora Jones in the December issue. I did time with the maggot that killed her back in the 80's when he was in for the same type shit the first time. As much as I hate the Wis. Dept of Corrections, I must say that they are doing a better job of not letting them sick f--kers back on the streets now then what they had did in the past. Bobcat

****Thanks for the letter. most of you know I can be very slow at responding, for that I am sorry. The address for B.A.C.A is P.O. Box 406 Butler, WI 53007

Dear FRP,
Please sign me up for a subscription. I love the rag. It's one of the connections to the free world that can transport me from my bunk to the saddle. Keep up the good work and thanks for the "From the Inside" section. Keep the shiny side up!

****Well keeping this a righteous rag is what I intend to do. Thanx for the letter, hope to hear from you again.

P.S. I will get you out the last month's copy due to my terrible mess on my desk!!

To the Brothers and Sisters of the Free Riders Press.

They call me Lil' John and I am sitting in FCI Greenville, Illinois prison because of a law called conspiracy. I won't bother you with the details of my case, but I'll let you know this much, I'm doing time I didn't earn. Since I've been down I have encountered many bro's that were railroaded like myself. This year there voting on Federal Parole and all of us in prison are asking your help. Contact your Senator and tell him to push for Federal Parole or call 202-224-3121 and vote yes to parole. I'm writing this with the hopes and prayers you can help all of us! Thanks for your support.

Lil John

****There you go Lil John. Hope it helps and not to late. I have a few Brothers in the same boat.

Preacher And Lorie,

Thanks for putting out your publication. I'm a "Downed Biker" in a land far away from home. I stay in the wind in sunny Florida; usually, but I came up for the 100th Anniversary last year and here still am. I stuck around after, because Y'all have a beautiful state and lots of good people. Unfortunately I stayed a little to long and got in some trouble. So I find myself patronizing one of your many fine correctional institutions for the next year or so. Apparently there are not many "Downed Bikers" where I'm at because I haven't met any and none have come up to me.

Well a cop who rides brought me an old copy of your rag (no offense), and I'm impressed and grateful. I guess I can't have any magazines, because of the content. (nudity and such). But they have told me that I could purchase a subscription to your paper, but I see no subscription prices or cards. I would like to get your paper monthly? Also any chicks that may want to write a "Downed Biker"? Also send any rally photos so I can keep in touch w/the free world.

****Well there are easier ways of getting the paper than having a guard give them to you. HaHa I'm glad you like it. This is every bikers rag, so send in your stories, you gotta have a few good ones from FL. And yes there are some Brothers in Stanley we send to.
