**From the Editor:**

Well I hate to say it but when I head out to an event this time of year, I don't leave the chaps and leather at home anymore. The days are getting rare for riding with a t-shirt, but the way I figure it, this was probably the best riding season in years. So I am not about to complain.

Free Riders Press is pleased to welcome Powerhouse Marketing of Schofield, WI to the FRP team. They will be giving us a most needed hand with sales, marketing and distribution. With the paper growing at such a fast pace, it came down to Lorie and I doing the same thing as in the past or getting more organized with some expertise so we can give our advertisers even more bang for their bucks. With the help of Powerhouse we will be restructuring the way we do things. This will include calling advertisers to see if there are any changes needed, calling people when needed and organizing information for the paper. We would also like to welcome Lil' Rich aboard who will be taking care of the website and covering stories for us. Rich is an old school biker who has been riding for years. Riding everything from Harley's to his present ride a Yamaha. Which leads me to my first point.

Some business's have been telling our sales staff that the Free Riders Press leans way to far toward the Harley riders. Well I suppose it does, but that's the choice of it's readers. This paper is made up of all riders, but the Harley crowds, events and business's seem to be the only ones to ever send me anything for print. I guess the Asian bike dealers don't have open houses or put on benefit rides. I'll tell ya what I'm going to do!! Your mission is, should you choose to accept it is to send me a story, or coverage of their own non Harley event and I'll print it. If I don't get anything sent in, I don't want to hear no more about it, Deal!!!

If you think you see a lot of me now, "You ain't seen nothing yet." But I still can't be everywhere.

So for the events I can't attend, I ask the event coordinators to send in a summary of the run, open house etc.. But there is one thing that drives me absolutely crazy, and that is being told that someone from the staff will send us at FRP something and it never comes through. I often wait for these e-mails. Do me a favor, if you tell me you are going to send me something, please DO-IT. I am also guilty of this myself, so I will kick my own Azz and get my chit straight to.

One last quick note: Happy 20th Anniversary to Kutter HD  
 Till Next Time,  
 Preacher

Congrats Chain and Betty

Whether you consider yourself a biker or a motorcyclist, we are all brothers and sisters. on two wheels or three. One of our brothers, Nic Resch of New London, was "allegedly" beaten and brutally stomped in the face according to the pathologist.

Nic was attacked on March 26, 2005 and passed away on April 4. Nic was 27 years young.

Nic rode hard and free. He was sent to his freedom from life, prematurely and unfairly. Nic's family, friends and brothers would like you to join us on a memorial ride for Nic.

The ride is scheduled for September 24, 2005. We are asking a \$15 donation for single riders and \$20 for a couple. The proceeds will go to benefit the First Responders of New London. There will be 50/50 raffles on the 90-100 mile ride. The ride is being led by Nic's Motorcycle. Registration begins at 10 am. until 12 pm. at the Pantry on the 300 block of S. Pears St. (across from library). Ride begins at 12:30 pm. from the Pantry Restaurant and ends there with free food and beer. Dear and D.J. booth close at 10:00 pm. Pantry Restaurant Parking lot is also shared by Marty's Bar.

Hope to see many friends, brothers, and sisters there. Everyone is welcome (cars also)!

Thank you Spidey-Owner of Pantry Restaurant

**Mission Statement:**  
 This paper was started out of the love and respect for being in the wind, and the brothers and sisters that are in the wind also. I have been riding all my life and have learned what brotherhood means. The Free Riders Press is a paper dedicated to the biker who knows this respect. Not barring any rider for what he wears or rides. We try to cover stories that make the public sit back and have a positive outlook on bikers. We will try to cover events that are for the biker and put on by the biker. This paper will be used to better the riding community through education, updates and personal views that are of positive thinking for the riding community in general. We will try to fight the ongoing discrimination that seems to be thrown onto us without our view being told. Free Riders Press is for all to enjoy, so by working together someday we can be free in the wind, without the worry of any of the aforementioned items.

**"Bingo's Downed Biker Fund"**  
 If you have a Brother or Sister down and would like to get them the Free Riders Press, NO PROBLEM, be glad to do it but it does cost money. A lot of people help out by donating some coin. We here will do what we can, but with everybody giving what they can, we will make it go a long way. We all know somebody that's down, and anything would be greatly appreciated.
