An airline captain hired a new blonde stewardess. The first route they were flying had a stay-over in another city. Upon their arrival, the captain showed the stewardess the best place for airline personnel to eat, shop and stay overnight. The next morning, as the pilot was preparing the crew for the day's route, he noticed the new stewardess was missing. He knew which room she was in at the hotel and called her up wondering what happened to her. She answered the phone, crying, and said she couldn't get out of her room. "You can't get out of your room?" the captain asked, "Why not?" The stewardess replied, "There are only three doors in here," she sobbed, "one is the bathroom, one is the closet, and one has a sign on it that says, 'Do Not Disturb!'"

A drunk gets up from the bar and heads for the bathroom. A few minutes later, a loud, blood curdling scream is heard coming from the bathroom.

A few minutes after that, another loud scream reverberates through the bar.

The bartender goes to investigate.

"What's all the screaming about in there? You're scaring my customers!"

"I'm just sitting here on the toilet and every time I try to flush, something comes up and squeezes the hell out of my balls."

With that, the bartender opens the door, looks in and says.....

"You idiot! You're sitting on the mop bucket!!"

A biker came home from the road, sat down in his favorite chair, turned on the TV, and said to his wife, "Quick, bring me a beer before it starts."

She looked a little confused, but brought him a beer. When he finished it, he said, "Quick, bring me another beer. It's gonna start."

This time she looked a little pissed, but brought him a beer. When it was gone, he said, "Quick, another beer, it's gonna start any second."

"That's it!" She blows her top, "You bastard! You waltz in here, flop your fat ass down, don't even say hello to me and then expect me to run around like your slave. Don't you realize that I cook and clean and wash and iron all day long?"

The biker sighed. "Oh shit, it's started."

RIDERS

Two men are out hunting.

One of the men falls to the ground gaging and choking and clutching his chest. Then he goes still and silent.

His partner pulls out his cell phone and dials 911. He says into the phone "My friend is dead, what should I do?" "Calm down sir, everything will be alright." the 911 operator says, "First, we need to be sure he's dead." There's a silence on the end of the line followed by a loud gunshot. The hunter comes back on the line "Now what?"

A little kid walks into a city bus and sits right behind the driver and starts yelling, "If my dad was a bull and my mom a cow I'd be a little bull."

The driver starts getting mad at the noisy kid, who continues with, "If my dad was an elephant and my mom a girl elephant I would be a little elephant."

The kid goes on with several animals until the bus driver gets angry and yells at the kid, "What if your dad was a drunk and your mom was a prostitute?!"

The kid smiles and says, "I would be a bus driver!"

Two little boys were arguing, in the way that all kids do, about which one of them had the best "stuff".

Joey said, "My brother is better than yours."

"No, he's not" shot back little Jay.

"My sister is better than yours," said Joey.

"She is not," Jay insisted.

"My dad is better than yours, too!" Joey said with joy at knowing how much he was making his younger playmate angry.

"No, he is not, is not, is not," Jay cried.

"UH-HUH"-said Joey. "And even my mom is better than your mom."

At this point little Jay grew quiet, causing Joey to think he'd won the argument at last.

Just then, Jay looked Joey in the eyes and said, "Well, ya got me there, my dad said the same thing."

HUMOR

Listen and don't interrupt

Little Paul watched his daddy's car pass by the school playground and go into the woods. Curious, Little Paul followed the car and saw Daddy and Aunt Jane in a passionate embrace. Little Paul found this so exciting that he could not contain himself as he ran home and started to tell his mother.

"Mommy, I was at the playground and I saw Daddy's car go into the woods with Aunt Jane. I went back to look and he was giving Aunt Jane a big kiss, then he helped her take off her shirt. Then Aunt Jane helped Daddy take his pants off, then Aunt Jane....."

At this point Mommy cut him off and said, "Paul, this is such an interesting story, suppose you save the rest of it for supper time. I want to see the look on Daddy's face when you tell it tonight."

At the dinner table, Mommy asked Little Paul to tell his story. Paul started his story, "I was at the playground and I saw Daddy's car go into the woods with Aunt Jane. I went back to look and he was giving Aunt Jane a big kiss, then he helped her take her shirt off. Then Aunt Jane helped Daddy take his pants off, then Aunt Jane and Daddy started doing the same thing that Mommy and Uncle Bill used to do when Daddy was in the Army."

Moral of the story: Sometimes you need to listen to the whole story before you interrupt.

A teacher asked her class, "What do you want out of life?" A little girl in the back row raised her hand and said, "All I want out of life is four little animals".

The teacher asked, "Really and what four little animals would that be, sugar?"

The little girl said, "A mink on my back, a jaguar in the garage, a tiger in the bed and a jackass to pay for it all." The teacher fainted
