From the Editor:

Ok all, I have gotten an ear full from a lot of you about my editorial last month. Both good and Bad. I ran into a friend in Tomahawk that put it this way. He noted that I ran the same joke 2 months in a row. He asked, "are you running out of humor?" Then he read the editorial and said, "You are running short on humor aren't you!" All I can say is, Sorry about my ranting. I am feeling a little less stressed this month and I am ready to rock and roll again.

Thanks to Cass and crew at Wisconsin HD for the Spot at the Milwaukee Rally under their tent. And to top it off, I learned all kinds of cool facts about old Harley's during Cass's demonstrations, specifically the "How to kick start an old Harley." I would also like to thank Nick Summers at The Hog 102.7 FM in Milwaukee for my radio debut, "Your right Bro, It wasn't so bad being on the air, I could get used to it, but for now I'm sticking to my paper."

I did get the opportunity to do some riding with my Mom. About 120 miles worth, how cool is that. She finally got a day away and rode down to Wausau via Rhinelander, where we hooked up and headed back to Minoqua hitting the back roads. As they say, "It's not how fast you get there, it's the sites along the way." So if your in the North woods and you see a woman on a little Honda Rebel scooting around, chances are it's Mom Rags.

For those of you that are into fun check out www.tomahawkfallride.com to get your advanced tickets for the rally. There is still the ever fun street dance downtown, and Sara park is going to be doing their thing again. But the biggest change is the Speedway has moved to a new location. This year is shaping up to be a very exciting time. See the ad for all the goings on inside this issue.

Hope all got to and from Sturgis ok. Again this year I declined offers to go out to the rally. Call it being to busy, call it no motivation to ride with 1000's of inexperienced group riders. But I think I'll just hang out in the upper Midwest and attend some of the great parties we have going on here. The way I see it, I am a local paper, and it truly means more to me running into and supporting friends and business's around these parts than spending big bucks on something that don't really interest me.

A couple of quick closing thoughts for you. I would like to welcome Brad Ruel (The Wrench) out of Tampa. He will be doing a question and answer thing. (See page 15 for more). I would like to congratulate FRP contributor Dan W. On the birth of his son, Logan Hope all is going well. Getting any sleep! And lastly one last item. The riding season is shutting down for some shortly. How about that one last run. The 2006 poker run across Wisconsin sponsored by NATOW. (See ad inside Cover)

Till Next Time,
 Preacher

Mission Statement:

This paper was started out of the love and respect for being in the wind, and the brothers and sisters that are in the wind also. I have been riding all my life and have learned what brotherhood means. The Free Riders Press is a paper dedicated to the biker who knows this respect. Not barring any rider for what he wears or rides. We try to cover stories that make the public sit back and have a positive outlook on bikers. We will try to cover events that are for the biker and put on by the biker. This paper will be used to better the riding community through education, updates and personal views that are of positive thinking for the riding community in general. We will try to fight the ongoing discrimination that seems to be thrown onto us without our view being told. Free Riders Press is for all to enjoy, so by working together someday we can be free in the wind, without the worry of any of the aforementioned items.

" Bingo's Downed Biker Fund"

If you have a Brother or Sister down and would like to get them the Free Riders Press, NO PROBLEM, be glad to do it but it does cost money. A lot of people help out by donating some coin. We here will do what we can, but with everybody giving what they can, we will make it go a long way. We all know somebody that's down, and anything would be greatly appreciated.
