

Hog Wild in Dundee, WI

Hog Wild in Dundee, WI certainly lived up to it's name, July 28th, 2007, for this second annual event.

This beautiful little community packed alot of fun and excitement into the 15 short hours between 9am and midnight.

In addition to the Pig Wrestling competition, the day included free tours of Dundee Historical Mill and Park, co-ed volleyball from 9am to 6pm, and nonstop live music from 10 am - Midnight. There were childrens activities and face painting, roasted pork, raffles and plenty of cold beer.

The days festivities centered (literally) around the Hog Wrestling pen. The event hosted a total of 20 men's teams and 12 women's teams. Teams consisted of 4 lucky individuals, released into a ring of knee-deep water; their mission - to coax 200 plus pounds of slippery, kicking hog muscle into the center of the ring and over the padded barrel in under 60 seconds. From noon to 5:00, over 30 teams wallowed in the murky waters, in an attempt to negotiate, their hog over the barrel in the least amount of time, without being disqualified.

Number one place, in men's competition, went to Pig Pet-o-files. First in women's division were to Baker Cheese ladies. After a good fire hosing, courtesy of Campbellsport Fire Dept, the teams enjoyed the festivities well into the evening.

Dundee Sportsmen's Club' along with the board members of Dundee Mill and Park, would like to thank the sponsors for their generosity, the participants for their good humor and sportsmanship and all those in attendance. Photos of this exciting hog wild day and details of events surrounding

Dundee's Historical Mill and Park, can be found at dundemillandpark.com

"United We Ride: New Roads"

Aug. 18th "United We Ride: New Roads" kickoff Campaign for United Way. An

excellent group of road guards led the group safely through 70 miles of Portage County starting from Adventure 212 in the Portage Co. Business park, through Junction City with a stop at Kennedy school, then to Mullens Cheese in Knowlton, through Bukolt Park where 5 scooters were picked up as the "scooter brigade", down Main Street in Point ending at the Brews, Brats and Bands for a lunch. All proceeds went to the United Way. Overcast skies with rain starting at the end of the ride. About 150 cycles and 5 scooters. Also personal care items were collected for Project Fresh Start.

Ride With The Leaders

That is the Motorcycle Riders Foundation motto. What is the MRF you ask? The MRF deals with issues on a daily basis that affect every street rider in this great country.

We have dealt with anti-motorcyclist discrimination in employer health insurance, we have had an effect on the EPA rulings that could have shut down the independent motorcycle industry. The MRF lobbied congress to make \$25 million available in grants for motorcycle safety and education over the next five years. Later when this grant money was under attack the MRF jumped in to help protect it. One of the greatest victories that the Motorcycle Rides Foundation achieved was to shoot down a U.S. Senate amendment that would have blackmailed states to implement mandatory helmet laws.

Our mission is to be an independent national advocate for the motorcycling life style. The MRF has a full time representative and office in Washington D.C. As a member of this national organization you will help protect your right to ride free.

The MRF will continue to work with state motorcycle rights organizations in a joint effort to secure freedom of the road for all street riders in the United States. Please join us and help make this great country a safe and free place to ride, ride with the leaders. You can learn more about the MRF by going to <http://www.mrf.org> or you can contact me anytime.

Bingo would like to thank Kevin Burton- who paints cars, trucks and motorcycles in Francis Creek is the Downed Biker Fund biggest contributor and the Heathens MC is the biggest club donor.

A NICE QUOTE

By Bingo

I heard something the other day
That I thought was quite pleasant -
"Yesterday is history, tomorrow's a mystery,
Today is a gift - that's why it's called the present."
So I do something nice every day -
A 'present' for someone else - you see -
With the hope that - that someone
Does something nice for me!
But - if they don't it matters not -
For I saw that person smile!
I'll just take that as their gift to me
And that make it worth the while.

LEGISLATION - EDUCATION - SAFETY

ABATE of Wisconsin, Inc. is a motorcycle rights and safety organization (not a club) dedicated to the "Freedom of the Road." ABATE of Wisconsin's goal is to give the motorcyclists of Wisconsin a strong, united voice with regard to their future, their way of life, their safety and their legal rights as motorcyclist and citizens. ABATE of Wisconsin is open to anyone interested in supporting our principles and ideas, regardless of age, sex, way of life or type of motorcycle used.
