Angels in Training: Sioux Falls, S.D. is the best!
 August 12, 2008 -- Sioux Falls, S.D. Argus Newspaper
 On Saturday, August 9, 2008, several people of this distinction helped us out. It was their dedication and charisma that makes them extra special.
 Yoyi and Jimmy stayed open after hours at J. L. Harley-Davidson to take in my 970,910 mile HD motorcycle that had blown an engine. On Sunday morning, August 10, Reese started work on that engine. (See MillionMileMotorcycle.com)
 Then at the Flying J. Restaurant, my better half and I met Rick Wahl, (Mobile Instrument Service & Repair Inc.) & Shannon (Veterans' nursing home administrator). They gave us a ride to the bus station. The way they talked, there is lots of "Angels in Training" in the Sioux Falls area.
 Wow, I can't wait to get back to meet more of you! That will be when my 1991 FXRT Harley Davidson Motorcycle is fixed.
 God Bless You, Your loved ones & our troops.

there doing the announcing and letting you know what's going on, not only with the event, but all about what the local merchants and restaurants will have to offer. Across the river the Iron Horse Rally will be in full swing check out the ads for more info on these events. A.B.A.T.E. District 21 held its 18th Annual Rodeo in Miles, IA Aug 15-16 now a two day event. The motorcycle exhibit RARE RIDES at the Putnam Museum in Davenport, IA will end Sept 7th so ride on over if you have not yet and if you have, then go back again and this time bring a friend or two. There is a new very Biker Friendly Establishment in downtown Moline, IL called Tailgaters. It is just off katty-corner from the old sidewalk clock on 5th Ave and 15th St. that was restored a few years ago. You can't miss the place, cause after certain times there are motorcycles parked on the sidewalk along the front of the place, see motorcycles get the good parking spots. Well about out of time, for the old deadline is looming. Local Bike Nites are all going strong and the time for all the huge cash & prize give a-ways is closing fast, so be sure to get out to one or several and help keep the economy working. I'm sure you will see me there!
 Ride safe N enjoy the freedoms we still have!!!
