### From Me to You.....

All I can say is summer finally arrived, unfortunately fall was hot on it's tail. Weird ridin' season, hey?

I do have to say that I got a couple of different responses from last month's editorial. I will categorically state now that No I was not mad at anything, and I did Not indulge in the old mother nature, but from reading it after I went to press, I can see were some of you thought that. You know me, I write it down as I am feeling it.

Last month I got the opportunity to meet Skypilot at Twister. Let me tell you what a great time Lorie and I had talking to him and his lady Texy. We chatted for quite awhile in his camper. Check out his site [www.retiredranger.com](http://www.retiredranger.com) it will give you a good idea what he's about. We are hoping to get down to his part of the country this year sometime, but until then God Bless my friend and we will see you soon.

### A quick review of upcoming events that I am going to try and attend.

August 29th I will be at Edge O' Dells in Wisconsin Dells for their Final Livin' on the Edge grand finale which will wrap up all the prior week winners. (If the last bike night I was at is any indication this event is guaranteed to be a blast.)

Labor Day weekend I will be attending the Milwaukee Rally ([www.milwaukeeerally.com](http://www.milwaukeeerally.com)) again this year. I will probably float around between all the dealers and Water Street. If anyone is going to anything in particular that would be willing to send me a picture or two from the event, that would be cool. Another one is going to be the Horse Rally ([www.thehorserally.com](http://www.thehorserally.com)) on Saturday night. It will be a packed weekend but both are well worth attending.

And finally the lowering of the curtain on Wisconsin's riding season is the Fall Ride in Tomahawk, WI Sept. 17th-the 20th. I will be set up at Bubba's big gig at Nokomis Park ([www.tomahawkfallride.com](http://www.tomahawkfallride.com)) along with the ABATE booth. As a special treat, Free Riders Press is proud to announce the "Writers Ride". Writers- Laura the Potter, Kenn Hartmann from Chicago, Pastor Sam and the possibility of a couple other superstars of the FRP world popping in.. Laura ([laurathepotter.com](http://laurathepotter.com)) will have many of her wares along with her for sale, while I'm sure Kenn ([www.chicagobikerbars.com](http://www.chicagobikerbars.com)) and Sam will be more than happy to share stories about the biker lifestyle with you. We all look forward to meeting you and I'm hopeful we will show them what the FRP family is all about.

Lastly you may have noticed a full page in last month's issue that contained a whole bunch of different business's on it. This is not a major advertisers page, but simply a guide to some possibly new "Biker Friendly" places that you may not know about. There is always someplace for the biker's heart that the road calls you to.

The premise of this page is easy. Go to a place (all within 50 miles of Tomahawk), show them your sheet from the paper for them to stamp and then send back into me by Sept 30th for a chance to win cash. There is no minimum stamps required and the contest is free. One sheet per person please!! Remember these are all Biker Friendly ALL the time, not just during the riding season. Ride safe and see you soon.

### Mission Statement:

This paper was started out of the love and respect for being in the wind, and the brothers and sisters that are in the wind also. I have been riding all my life and have learned what brotherhood means. The Free Riders Press is a paper dedicated to the biker who knows this respect. Not barring any rider for what he wears or rides. We try to cover stories that make the public sit back and have a positive outlook on bikers. We will try to cover events that are for the biker and put on by the biker. This paper will be used to better the riding community through education, updates and personal views that are of positive thinking for the riding community in general. We will try to fight the ongoing discrimination that seems to be thrown onto us without our view being told. Free Riders Press is for all to enjoy, so by working together someday we can be free in the wind, without the worry of any of the aforementioned items.

### "Bingo's Downed Biker Fund"

If you have a Brother or Sister down and would like to get them the Free Riders Press, NO PROBLEM, be glad to do it but it does cost money. A lot of people help out by donating some coin. We here will do what we can, but with everybody giving what they can, we will make it go a long way. We all know somebody that's down, and anything would be greatly appreciated.
