

2009 MDA Fire Fighters Ride May 15 & 16th

Every year I try to catch a little more of the Wausau Fire Fighters MDA Ride. This year I got a chance to go on the parade ride through Wausau on Friday after all riders met at Marathon Park. As luck would have it, the weather was nice before and after the parade, but rained cats & dogs during. Like the troopers these riders are, they rode the 3+ miles before ending at HD of Wausau. Waiting for us was food, drink, music, vendors and fun, no wait that would be "dry fun". The Red Cross Wagon was there taking blood donations. (Last count I heard was 29 pints) Lorie and I had to head home shortly after, but I heard through the grapevine that all the riders had a great time during the two days of events. Check out www.wausaufire.com for any details on next years event.

This is the law firm that has successfully represented well over 1,000 injured bikers. Some have received multimillion dollar settlements.
